A LETTER FROM THE EDITOR

Holy hell, can you believe it's June already? It seems like just yesterday we we're told to go into lockdown. Hard to believe it's been over a year, but hey, the light is at the end of the tunnel! On a personal note, I get to see my family this month! For the first time in a *year*. This is the longest I've ever gone without seeing them, and it's been tough, but having my friends, the creative outlet of Summer Magazine, and in all honesty, *therapy*, I've been okay. This year has thrown us a ton of challenges, and I'd be lying if I said i didn't let them get to me, but I'm only human. I'm learning that it's okay to break down sometimes. It's okay to be disappointed in people. It's okay to be disappointed in *yourself*. I've made the choice to make June my absolute bitch and I encourage you to do the same.

I'M LEARNING THAT IT'S OKAY TO BREAK DOWN SOMETIMES. IT'S OKAY TO BE DISAPPOINTED IN PEOPLE. IT'S OKAY TO BE DISAPPOINTED IN YOURSELF.

Enough wallowing in sadness. Enough being comfortable. It's time to start growing again.

If you're new here, hi! Welcome to the squad! Yes, my tasteful nudes are often accompanied by some sentimental words that come to my head at 4am in a unrelenting wave of insomnia. The perfect accompaniment. That's just how we do things here.

That cliche saying is right. Diamonds ARE made under pressure, and after a year and a half like this? My god we're gonna be shiny.

Lauren S.
