A LETTER FROM THE EDITOR

Photos by Koby Einstein

IT'S truly incredible what happens when you take some time for yourself and focus on your own happiness and self care for a change. This past year has been a heavy whirlwind of emotion and physical stress that was starting to take it's toll on me in many ways. A few weeks ago, I went back home to Florida and took the chance to finally relax. I went in nature, I went canoeing, I snuggled my nephews, visited the places from my childhood that made me happy,

"I HAVE NEVER FELT THIS HAPPY, REJUVENATED, BEAUTIFUL, PROUD, STRONG, OR READY TO TAKE ON LIFE"

and finally took the time to prioritize my inner peace. I have never felt this happy, rejuvenated, beautiful, proud, strong, or ready to take on life than I do now. I hope that with this issue you can see the sparkle that I've taken back and feel the warm sunlight that I wanted this issue to portray. Take some time for yourself this month and do the things that bring your soul happiness. Life is too short. Love yourself first.

Lauren S.
