A LETTER FROM THE EDITOR

Photos by Koby Einstein

THIS month is such a beautiful month and it's only just begun. Does anyone else feel the winds of change in this humid summer air, or is it just me?

For starters, HAPPY TWO YEAR ANNIVERSARY, BABES! Look at us. We've been together on this magazine journey together for 730 days already. Does this mean we have to meet eachothers families now? What if I meet your dad and he's a subscriber too? Will that make things weird between us? We have to talk this through, guys.

Also, it's my birthday this month! (*Where my Leo babies at?*)

DOES ANYONE ELSE FEEL THE WINDS OF CHANGE IN THIS HUMID SUMMER AIR, OR IS IT JUST ME?

I'm not one for celebrating birthday's much these days, so maybe i'll just escape to a beach somewhere and have a handsome cabana boy serve me coconut rums every hour *on the hour* while my Irish-ass burns to a crispy crisp.

On TOP of all these fun things, I've made some amazing business deals and have really secured my future as your most prevalent internet girlfriend. (and your favorite too, right?)

Oh, also I fell in love. So there's that. Happy Birthday to me.

Lauren S.
