This week the *OK*!ers were all about rubbing shoulders. We had the pleasure of shooting former Victoria's Secret Angel Victoria Lee for her new gig as David Jones ambassador, who by all accounts (and excuse the pun) was 'an absolute angel to work with' (p52). We chatted to *UnREAL*'s resident boss bitch Constance Zimmer in LA – who was pleasantly 'no-nonsense, but up for a chat' – and mingled with the Aussie stars of the new season, Kassandra Clementi and Adam Demos (p44). We got the goss from the doc of *The Resident* (AKA 'the new *Grey's Anatomy*'). And of course, there's not a week that goes by without checking in on *MAFS*' unlikely stayers, Tracey and Dean, who have some huge news to share (p14)! Enjoy!

Kim vs Paris

THE FEUD'S BACK ON!

THE HOTEL HEIRESS LEAVES THE REALITY STAR STRANDED ON TV!

Just one month ago, Paris Hilton and Kim Kardashian appeared to have finally laid their decade-long feud to rest, but the former BFFs are already back at it.

The bad blood comes just days after it was revealed the Hiltons were scheduled to appear alongside the Kardashian and Jenner clan on US game show *Family Feud*. But the hotel magnates pulled out at the last minute. Insiders have revealed the KarJenner brigade were told of the shock decision just four days before the February 24 taping, which led to the family splitting up into two teams – with Kendall, Khloé and family matriarch Kris facing off against Kim and Kanye West instead.

Paris, 37, and her mother Kathy, 58, were keen to go on the show. However, it was her

LIFELONG DREAM

'Kanye said he's waited his whole life for this moment,' Kim shared of her hubby's appearance on the game show.

'I have a really good feeling that we're going to win,' Kim joked

THE HILTONS BAILED ON KIM!

'The families go back three decades,' says a source. 'But it wasn't right for the Hiltons.'

dad Rick, 62, who reportedly told his family it looked too 'thirsty' for him to be involved. '[Paris' sister] Nicky [also] thought it was nuts for the family to appear, so she was out,' revealed an insider. 'And [Rick's eldest son] Barron and his fiancée ultimately decided not to do it.'

The behind-the-scenes drama didn't appear to dampen the vibes backstage, though. Kim, 37, took to Instagram to reveal the audience's reaction as the first family of reality TV took to the stage. While most of the krew were in tow (including Kim's bestie Jonathan Cheban and grandma MJ), new mum Kylie and sister Kourtney were nowhere to be seen.

This isn't the first time Paris and Kim have had their issues. In 2008, the socialite compared Kim's derrière to 'cottage cheese in a trash bag'. Years later, Paris again shaded her former wardrobe organiser: 'It's nice to inspire people,' she remarked.

STORMI'S PARENTS STEP OUT!

First-time mum Kylie Jenner, 20, is already back in the fast lane, thanks to her baby daddy Travis Scott. The reality star showed off her new $1.9 million Ferrari in an Instagram Story, with the impressive car said to be a push present. The pair were then spotted dining at Nobu in Malibu on February 24.

K-Fed hits up Brit

'I WANT MORE MONEY!'

Britney Spears might be forced to pull out her chequebook, with ex-hubby Kevin Federline demanding more cash from the singer. The former back-up dancer, 39, already receives $25,000 a month in child support payments, and is seeking an increase following the success of the 36-year-old's *Piece of Me* residency at Planet Hollywood in Las Vegas.

'Kevin is trying to voluntarily revisit a modification of the existing child support number, given that the kids are older and the financial circumstances of the parties are significantly different than when the child support was originally resolved,' shares an insider.

Britney's reps have been served with a letter requesting that both parties meet and discuss the issue. Brit and K-Fed were married from three years and share two sons, Jayden, 11, and Sean, 12.

Jason reveals

'I'M TEAM SJP!'

Jason (inset) played Samantha's boyfriend Smith Jerrod on *SATC*

Former *Sex and the City* star Jason Lewis has revealed he's firmly Team SJP in the ugly feud between Sarah Jessica Parker, 52, and Kim Cattrall, 61. The 46-year-old actor, who played Kim's boyfriend on the show, was asked to weigh in on the drama between the former co-stars, with Jason declaring he has 'nothing good to say' about the woman who played his on-screen lover. 'Listen, I would have to say that Sarah was always so lovely and such a consummate professional,' he said on US morning show *KTLA 5*, adding that SJP 'was always so good to me'. 'People should remember their graciousness and the things that have been given to them, and I'm going to stop there because I've got nothing good to say,' he insisted.

Olivia's plumped pout

'IT'S JUST MAKE-UP'

Olivia Munn's puffy kisser had everyone transfixed at the CFDA Runway to Red Carpet event in Hollywood on February 20. 'You're beautiful, but shame on the doctor that did that to your lips,' commented one fan. The 37-year-old was quick to put to rest surgery rumours, sharing a video that showed her removing her glossy lipstick. It's not the first time Olivia has been forced to defend herself, with the star previously claiming her changing looks were due to a natural diet of hyaluronic acid-rich Japanese potatoes.

'Look at those lips,' wrote one shocked fan

PICTURE PROOF?

'On my way to the airport so I gotta... bring down my make-up,' the actress said in the clip.

Is Troy saving himself? That's what an 'estranged' family member is suggesting

INTIMACY ISSUES?

Troy tells *OK!* his wedding to Ash was 'the best day of my life', but they only shared a 'hug and a peck' that night.

'I've never ever dated – or met – anyone like Troy. He's definitely, um, unique,' Ash tells *OK!*

MAFS' Ash 'VIRGIN' TROY: 'NAILED IT'

THE BUBBLY BRIDE LIFTS THE LID ON THEIR BEDROOM ANTICS

Married at First Sight groom Troy Delmege, 35, has been the subject of shock claims by his sister – that he's still a 'virgin'. His TV bride Ashley Irwin concedes it's a possible explanation for her eccentric groom's behaviour. 'It explains a lot,' says the 28-year-old Queensland flight attendant, who has resisted all her hubby's attempts at intimacy on the show. 'I'd say that nails it,' she says. 'If you look at how he is with women, how he tries to massage me, the clumsy kisses and him dropping the "L" bomb way too soon, it all fits.'

However, Ashley admits she feels for Troy. 'He must be mortified. I would be if I was called a 35-year-old virgin,' says Ash. 'I don't know if she was joking because I never got the chance to meet her, as I believe they're estranged. But it's still embarrassing. I feel sorry for him.'

This week sees the couple trying their best to make their marriage work, but Ash says it's hanging by a thread. 'We've all seen that Troy is very eccentric and that often tips over into weird,' she says.

'I'm also still really upset about him talking about us having sex on the show. I almost left then and I rang my sister in tears. I definitely didn't appreciate what I heard.'

If the union doesn't last, Ashley says she'd welcome a chance to return next season. 'I'll do anything to find my soulmate,' she says.

'We had fun on honeymoon – then his walls went up,' says Carly

CARLY: HE WASTED MY TIME

'I've wondered why Justin [Fischer] decided to do *MAFS*,' Carly Bowyer, 32, tells *OK!*. 'I put in all the effort and hit a brick wall every time. I'm beginning to think he wasted my time.'

After a heartbreaking miscarriage, Mary-Kate is determined to make her dreams of having children reality

Mary-Kate's BABY WISH!

THE FASHION DESIGNER IS DESPERATE TO BECOME A MUM

She's said she enjoys being stepmother to hubby Olivier Sarkozy's two teenage children, but it seems Mary-Kate Olsen is ready for a baby of her own! 'No-one would be surprised if she's expecting, since she and Olivier have been ready to have a baby for more than a year now,' spills a source of the former child actor-turned-fashion designer.

The couple were said to be excited when Mary-Kate reportedly got pregnant shortly after they started dating in 2012. But it wasn't meant to be, with the 31-year-old tragically losing the baby a few weeks later. 'That was really painful,' the source says. 'But Olivier was totally there for her.'

And now, a little more than two years after the pair tied the knot, they're said to be set on making their baby dreams come true. 'She'll do everything in her power to bring a healthy, beautiful baby into this world,' says a pal of the fashionista.

However, when Mary-Kate shared the news with twin sister Ashley, it wasn't as well received as she thought it would be. 'Ashley is so used to them doing everything together – wearing each other's clothes and even finishing each other's sentences,' dishes the insider. 'I'm sure she thought they'd also get pregnant at the same time!' Instead, Ashley – who split from her art dealer beau Richard Sachs, 59, last year – is feeling left behind as her sister starts her family journey.

'Ashley hasn't been in a serious relationship since then,' reveals a pal of the former *Full House* star, who has also had failed romances with disgraced cyclist Lance Armstrong and *The Hangover* star Justin Bartha. 'She hasn't completely soured on love, but she's certainly been stung.'

Despite their lives sending them on separate courses, friends are hoping Ash can stand by her twin. 'Everyone hopes Ashley will be able to put her hard feelings aside and share in her sister's joy,' adds the pal.

ASHLEY'S LEFT OUT

'She has been looking for Mr Right, and not finding him has been a thorn in her side,' shares a pal of Ashley.

Emily's QUICKIE WEDDING!

Emily Ratajkowski and producer Sebastian Bear-McClard might have only been dating for a few weeks, but they've wasted no time in taking their relationship to the next level.

The couple, who only went public with their romance just before Valentine's Day, announced their nuptials on Instagram on February 23, after exchanging vows at New York's City Hall. 'Sooo I have a surprise,' wrote the model, 26. 'I got married today.'

While fans of the *Gone Girl* star were happy to hear her news, many have been left puzzled by the quickie ceremony. It was only revealed last month that Emily had broken up with her boyfriend of three years, Jeff Magid.

WHERE'S MY INVITE?

'I'm oddly mad I wasn't invited to @emrata's wedding even though we barely speak...' Chrissy Teigen joked.

Pregnant Eva 'I'M SO HUNGRY!'

Eva hit up the Costume Designers Guild Awards with Kerry Washington and Gina Rodriguez on February 20

With her first child due in a matter of months, Eva Longoria has offloaded her LA mansion in preparation for the bub's arrival. 'Guys, I'm leaving my house of 10 years. The whole house is empty,' she told fans on Instagram. 'Table gone, beds are gone, food is gone, I'm so hungry.' Eva, 42, also revealed a gift she received from tennis star Serena Williams, who welcomed her daughter Alexis Olympia in September. 'Baby things! I don't even know what it is,' she shared. 'Thank you, Serena!'

'My Spanx don't fit any more!' Eva joked of her growing belly

Biebs is taking a career sidestep into fashion, seeking to trademark his middle name, Drew, for 'clothing and wearing apparel ventures'

Surprise! A BOY FOR BIEBS!

THEY'RE WELCOMING A NEW LITTLE MEMBER TO THE FAMILY

He's previously revealed he can't wait to start a family of his own, so it's no surprise Justin Bieber's jumping for joy about a new tot joining his tribe! The singer's dad Jeremy recently wed his partner Chelsey Rebelo, who's expecting the pair's first child together – and while he's not a dad yet, fatherhood might not be too far off for Justin, whose on-again girlfriend Selena Gomez, 25, attending the wedding as his date.

As Justin, 24, performed his best man duties at the romantic beachside ceremony in Jamaica, a reunited Jelena couldn't keep their hands off each other as they celebrated, proving they're well and truly back on. 'Their relationship is very special,' says an insider. 'They have both changed, their lives are so different and it really seems things could work out great this time.'

BUB ON THE WAY!

The new baby will be a little brother or sister for Justin, along with his other half-siblings Jazmyn, nine, and Jaxon, eight.

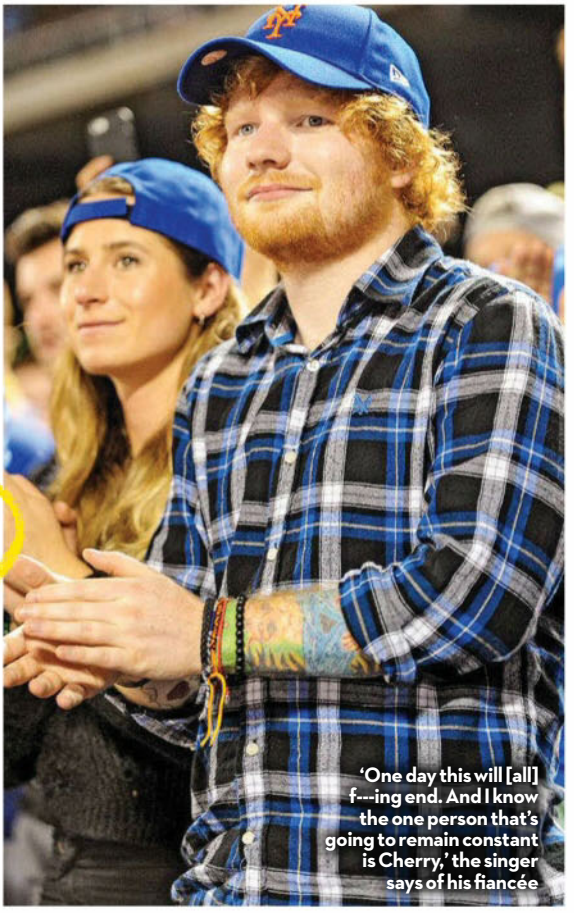

Ed Sheeran PUTS A RING ON... HIMSELF!

They kept their engagement a secret for several weeks, and it looked like Ed Sheeran and fiancée Cherry Seaborn had pulled another fast one on us when the singer attended the BRIT Awards on February 21. The 27-year-old sparked speculation that they'd already tied the knot when he was snapped wearing a ring at the event. 'Did you get married already?' commented a fan. But Ed was quick to dismiss the rumours, admitting he was starting a new trend by wearing his own bling in the lead-up to their nuptials. 'I never saw why men didn't wear engagement rings, because it's the same commitment either way,' he shrugs. 'Cherry made it for me herself out of silver clay and I really like it.'

'I spy a ring,' one fan commented of Ed's BRIT Awards appearance

'One day this will [all] f---ing end. And I know the one person that's going to remain constant is Cherry,' the singer says of his fiancée

'Very sad news,' Hugh shared of his former co-star's death

Notting Hill's EMMA CHAMBERS DEAD AT 53

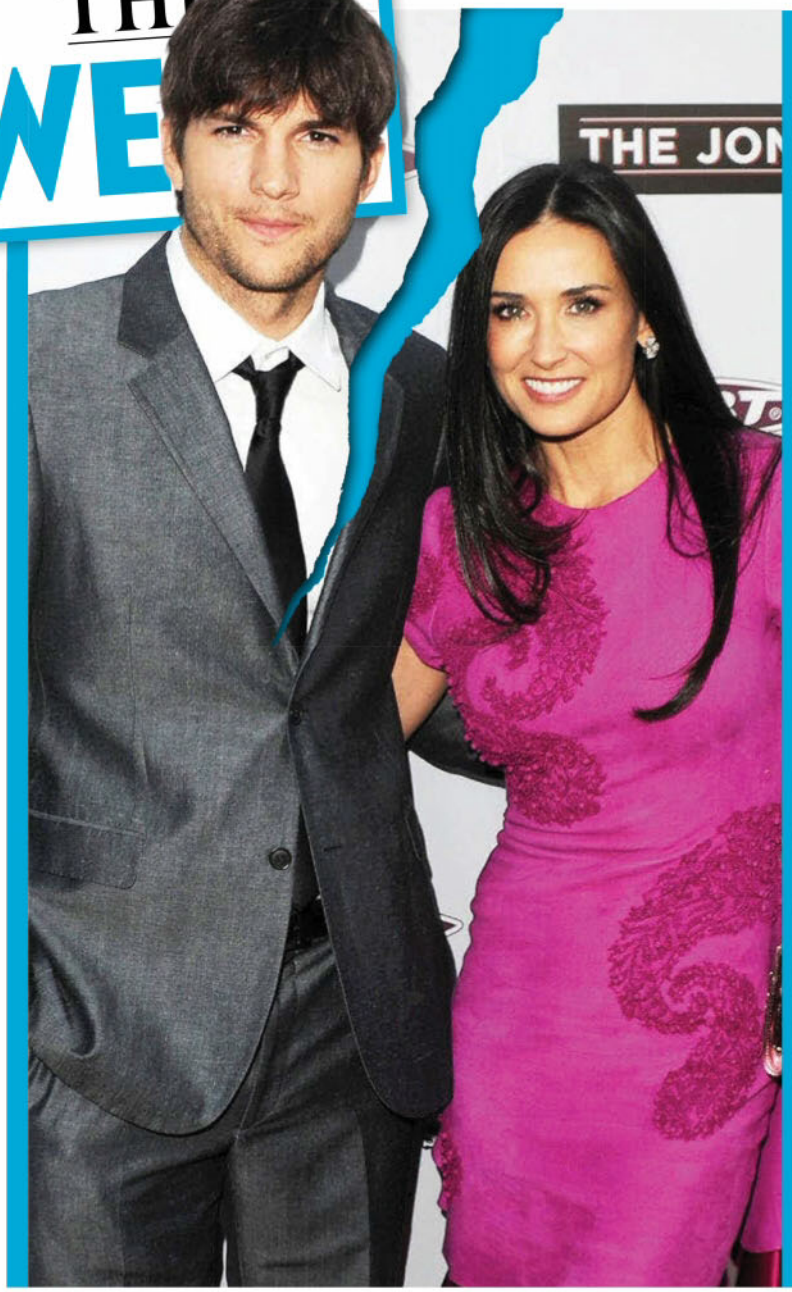

Tributes have flown in for actress Emma Chambers, after the 53-year-old passed away from natural causes on February 21. 'Emma was a hilarious and very warm person and of course a brilliant actress,' shared her *Notting Hill* co-star Hugh Grant. Dawn French, who starred alongside Emma in *The Vicar of Dibley* for 13 years, also paid tribute to the English star, calling her a 'very bright spark and the most loyal and loving friend anyone could wish for'. 'I will miss her very much,' the comedian shared.

Camila's DONE WITH DIETING!

Riverdale's Camila Mendes has opened up about her 'obsession with being thin', explaining she was recently asked by a naturopath what else she could be thinking about if she didn't spend time focusing on dieting. 'I suddenly remembered all the activities I love that used to occupy my time,' the 23-year-old wrote. 'At some point in my life, I allowed my obsession with being thin to consume me.' This isn't the first time Camila has opened up about her struggles, with the actress revealing her experiences with eating disorders last October.

Ashton admits

'I STARVED MYSELF AFTER DEMI DIVORCE'

Ashton Kutcher has revealed that he didn't eat for seven days following his split from ex-wife Demi Moore, 55. 'Right after I got divorced, I went to the mountains for a week by myself,' the 40-year-old recently shared. 'I just had a notepad and a pen, and water and tea for a week.'

But it wasn't long before Ashton's liquid diet began to catch up with him. 'I started to hallucinate on day two, which was fantastic... It was pretty wonderful,' he jokes.

The actor, who allegedly cheated on Demi during their marriage, says that was the point when he reflected on his other failed romances. 'I wrote down every single relationship that I had where I felt like there was some grudge or some anything, regret, anything,' he explains. 'And I wrote letters to every single person, and on day seven, I typed them all out and then sent them.'

Ashton admits the process was similar to Alcoholics Anonymous' 12 steps and said it was 'really spiritual and kind of awesome'.

STOP TALKING ABOUT DEMI!

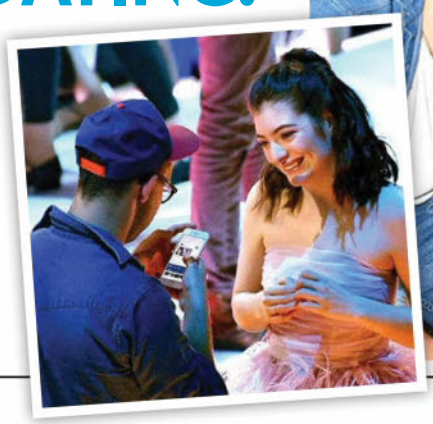

We wonder how Ashton's wife Mila Kunis, 34, feels about the actor dredging up his past?

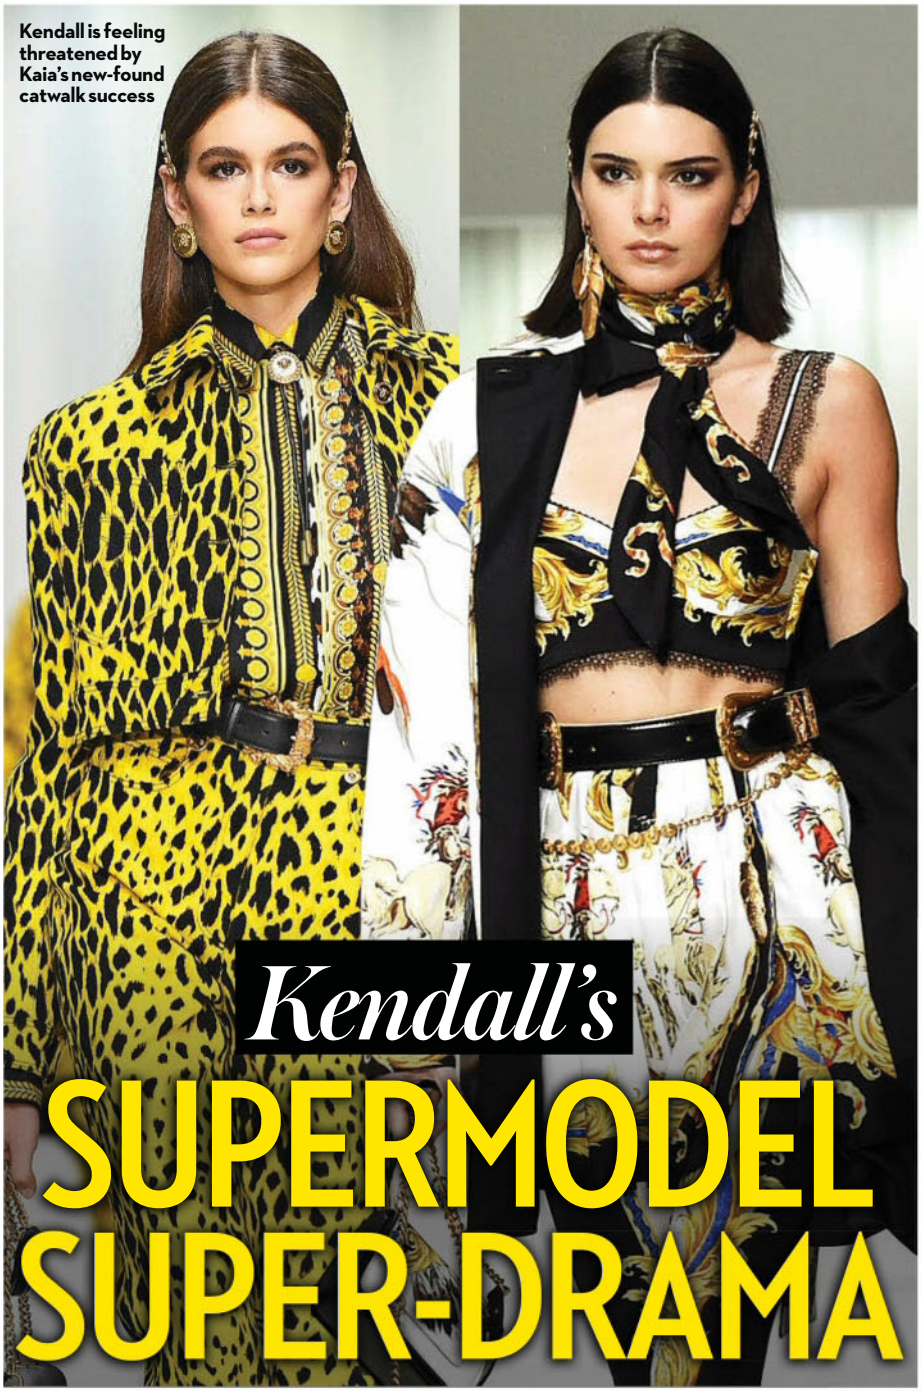

Lorde insists 'GUYS, WE'RE NOT DATING!'

Lorde has squashed rumours she's dating Lena Dunham's ex, Jack Antonoff, after photos emerged of the two hugging in Auckland, New Zealand. 'Guys, no!' the 21-year-old wrote on Insty. 'I love him. He's awesome, but we're not dating!' Late last month, Jack was also forced to defend his friendship with the singer. 'Normally I would never address rumours but I resent having the most important friendships and working relationships in my life reduced to dumb hetero normative gossip,' the musician, 33, tweeted.

Kendall is feeling threatened by Kaia's new-found catwalk success

Kendall's SUPERMODEL SUPER-DRAMA

Kendall Jenner is hearing footsteps on the runway! The 22-year-old supermodel befriended Kaia Gerber, 16, back when Cindy Crawford and Rande Gerber's daughter first came on the scene, but now, an insider has revealed that Kendall is feeling seriously threatened.

'The more Kaia's star rises in the modelling world – and it's rising fast – the more insecure Kendall gets,' the insider says. 'She views Kaia as her competition, so she doesn't really like her anymore.'

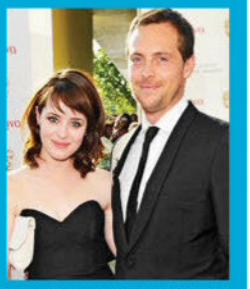

Kaia has already scored her first solo US *Vogue* cover, and she's appeared in campaigns for the likes of Versace, Calvin Klein and Omega. 'Kendall needs to chill out and understand that Kaia is Cindy Crawford's daughter so she's basically supermodel royalty,' the insider says. 'Of course she's the next big thing.'

But Kendall is panicking, and worries that Kaia will take work away from her, the insider reveals. The reality star is also concerned on a personal level. 'Kaia is getting super chummy with Kendall's friends Gigi and Bella Hadid,' the insider adds. 'That's shaking Kendall's confidence, too.'

$1 BILLION

IN JUST 140 CHARACTERS, THE NEW MUM ROCKS THE MODEL AND MOGUL'S EMPIRE

At just 20, Kylie Jenner wields power and influence beyond most people's wildest dreams. So when the *Keeping Up with the Kardashians* star revealed in a seemingly innocent tweet that she no longer uses Snapchat, it landed a massive blow to Aussie stunner Miranda Kerr and her hubby Evan Spiegel, 27 – CEO and co-founder of the social media platform.

'Sooo does anyone else not open Snapchat anymore?' the new mum tweeted her 24.5 million followers. 'Or is it just me... ugh this is so sad.' And just like that, the tech company's stock plummeted by 7.2 per cent, losing $1.7 billion within hours.

Perhaps realising the impact of her tweet, the Lip Kit creator backtracked, later posting, 'Still love you tho snap... my first love'. But the damage was done.

The financial loss couldn't have come at a worse time for Evan and a pregnant Miranda, who are just weeks away from bringing their first child together into the world. Of course, the pair are 'looking forward to welcoming the newest member of their family', says a rep. But sources say it's been a tense time, with Evan fearful for his love's safety.

'After Miranda got pregnant, Evan became obsessed with protecting her,' says the insider. '[He] hired a new team of bodyguards and even installed a [$5 million] security system at home.'

There's likely some stress ahead of the fast-approaching due date, too, given the 'long, arduous and difficult' labour Miranda went through with her son Flynn (now seven). And

STORMI PUT TO WORK
KYLIE CASHES IN

She may only be a month old, but Kylie's daughter Stormi is already a mini make-up mogul in the making! Kylie has just launched a new cosmetics range called the Weather Collection – and yes, it's inspired by her gorgeous new baby girl. 'I worked on this pretty much my entire pregnancy,' Kylie explained in an Instagram Story. 'Right after we chose Stormi's name, her name really inspired me.'

One thing is for sure, Stormi is destined to be one seriously rich tot! With her $490 million company, Kylie is now the richest Kardashian – and her empire is tipped to hit the billion-dollar mark within the next four years. 'I never thought that that could happen,' Kylie says of her snowballing success. 'But it keeps growing, which is awesome.'

Amid the Snap saga, the couple are fully focused on their baby's May arrival. 'We're just really excited to expand our family,' Miranda says.

with Evan – who co-founded Snapchat in 2011 – still picking up the pieces after the company lost $920 million last year, this hit on their livelihood is the last thing the couple need.

A new mum herself, Kylie has only recently returned to the spotlight after nine months in hiding ahead of the birth of her daughter Stormi. Following her hiatus, the star's return to social media to debut her little girl broke Instagram records, proving her pulling power hadn't diminished.

Kylie can't be held solely responsible for Snap's losses, of course; nor is she the only one to slam the app's new design. Maybelline New York hinted at a move away from Snapchat, echoing Chrissy Teigen's post from earlier in the month. 'How many people have to hate an update for it to be reconsidered?' the 32-year-old tweeted.

But Kylie is all too aware of the impact she has on her devotees. 'I know how influential I am over my fans and followers,' she says. 'I always start these huge trends, and I don't even realise what I'm capable of.'

> "I KNOW HOW INFLUENTIAL I AM OVER MY FANS AND FOLLOWERS

While the company's loss has no doubt rocked Miranda and Evan at a time when they need stability most, the model mum's approach to life stands the family in good stead for whatever comes their way. 'It's really important to be grounded and keep things real, and be appreciative of every day and to be grateful for the small things,' Miranda says. 'You just never know what is going to happen in life.'

Sharing is caring!

It's not the first time Miranda's crossed paths with a member of the Kardashian fam – Justin Bieber, 24, has been romantically linked to both the model and Kylie's 38-year-old sister Kourtney (though Miranda's always denied the alleged 2012 fling). 'I'm being used, man,' Justin says of the rumours.

BABY ON BOARD?

'I find a pregnant body to be beautiful and an incredible reminder of what a woman's body is made to do,' says earth mama Kourt.

Pregnant already? Kourt held a protective hand over her tummy as she headed to church on February 21

'They have the best time when they are together,' an insider says of Kourt and Younes

Kourt's toy boy promise

BABY NO.4!

THE REALITY STAR IS READY TO TAKE THE NEXT STEP WITH HER MAN YOUNES

Kourtney Kardashian has made no secret of the fact that she's open to having a fourth child. But as her romance with toy boy Younes Bendjima gets increasingly serious, it looks like a big announcement may be coming sooner than anyone expected!

Fuelling pregnancy whispers, Kourtney kept her hand over her stomach as she headed to church on February 21 – with the slightest hint of a bump showing under her baggy beige tracksuit.

It comes after the 38-year-old star opened up about her baby plans on *Keeping Up with the Kardashians*. 'I'm thinking about freezing my eggs,' she told her sisters Kim, 37, and Khloé, 33. 'Wouldn't you rather have the insurance, like, sitting there?'

While Kourt already has three children, she knows that her 24-year-old boyfriend Younes still dreams of being a dad one day. 'I don't need a baby to have a baby; I have three kids,' Kourt added. 'I'm saying if I am in love and the person wants a kid…'

Younes has already proved he's a hit with Mason, seven, Penelope, five, and Reign, two – Kourt's kids with her ex Scott Disick.

'She talked about this with Younes and he is definitely down to try for a baby,' a source reveals. 'He is spending more time with her family and everyone likes him.'

But there's one person who won't be happy – 34-year-old Scott! While the pair have been separated for almost three years, Kourt's always said she would 'have another baby with Scott if the situation is right'. However, pals say things changed when Kim and hubby Kanye West welcomed their daughter Chicago by gestational carrier in December.

'Kourtney used to want to have all of her kids to have the same father and she was adamant about that,' a source shares. 'Kim's surrogate experience caused her to start to think about it differently and she has become more open to other ideas regarding how to have another kid.'

With *KUWTK* ratings falling, Kourtney also knows that life-changing events like babies and weddings can give her family's show the boost it needs. 'It's worth doing anything they can to keep ratings up and storylines fresh,' an insider adds.

But with Younes, Kourt also believes she can give their baby a loving home. 'Kourtney has fallen in love with Younes,' says a source. 'She never thought she could be this happy.'

Tensions were running high between Scott and Kourt on the show

Scott's rage FILMED FOR THE FINALE?

The Kardashians like to finish each season on a dramatic high, and news of Kourtney's pregnancy would definitely give their show the cliffhanger it needs. But the real drama is likely to come from Kourt's devastated ex! While Scott's currently dating Sofia Richie, 19, he's made it clear he still holds a candle for Kourtney. 'She's, like, the only person I've ever loved in my life,' he admits.

'HE'S THE PERFECT DAD'

THE ACTRESS HAS FINALLY FOUND HER TRUE LOVE

She may have adopted them as a single mum, but Sandra Bullock's beau Bryan Randall was very much a doting dad to the actress' two children as they hit up Disneyland on February 18.

'[Bryan has] stepped into the Dad role perfectly and is everything to Louis and Laila,' says an insider. 'He is very supportive of the kids, but also of everything that Sandy does. He's involved with their school work, he goes to all of the kids' birthday parties and he is always by Sandy's side with whatever she needs. They have built a great life together and the kids are the centrepiece.'

Sandra's happy ending comes eight years after ex-hubby Jesse James cheated on her. 'It took Sandy some time to actually open up to a man, trust and love again,' shares another source.

But with Sandra, 53, now 'more in love' than ever and set to star in one of the blockbusters of the year, *Ocean's 8*, she's in a good place. 'Bryan is not only her partner, but also her best friend,' the insider reveals. 'They seem like they've been together forever.'

SHE'S EMBARRASSED

Jen wanted to split on her own terms, says an insider, and 'she's bitter with Justin for not following her plan'.

HE'S TIRED OF FAKING

'He couldn't take it any longer,' the insider says of Justin pretending to be happy.

Jen & Justin

THE BREAK-UP TURNS NASTY

DESPITE CLAIMING THEIR SPLIT WAS AMICABLE, THE ESTRANGED PAIR ARE FAR FROM FRIENDLY BEHIND THE SCENES

Jennifer Aniston looked like she was about to cry. Sneaking out of the LA premiere of good friend Jason Bateman's new movie *Game Night* on February 21 – her first outing since announcing her split from Justin Theroux – 'Jen couldn't hide her sadness. She's devastated and having trouble coping with her heartache,' says a friend.

She's done pretending everything is fine. Even though Jen, 49, and Justin, 46, released a statement insisting they are 'best friends', sources say resentment is growing as details of their troubled two-and-a-half year marriage leak. 'Both sides want their version of the truth out there,' says a source who knows both exes, 'so it's getting really nasty.'

It was Jen's idea to wait to announce their split until they had adjusted to their newly single lives. But Justin didn't want to play-act in the marriage anymore. 'He just couldn't go through another charade of pretending to be a doting husband,' says an insider.

In the days after the split, reports painting Jen as insecure and needy, and Justin as a preening metrosexual who strayed, only deepened the mistrust between the once-happy couple. 'Justin definitely thinks Jen's Hollywood friends are leaking stories to the media to make him look like he's the bad guy,' says the source who knows the duo. 'Meanwhile, Jen and her pals are positive that Justin's friends are doing the same!'

Members of their inner circle are taking sides. The pal says Courteney Cox, along with Jason and his wife Amanda Anka, are firmly Team Jen, while Ben Stiller and Paul Rudd are aligning themselves with Justin. And now Brad Pitt's mum Jane, who's 'stayed in touch with Jen for years' is 'determined to see [Brad and Jen] back together for a second chance', spills a source. '[She hasn't] been disrespectful about Jen and Justin's marriage, [but it's] what she's dreamed of for over a decade'.

One thing's for sure: things are only going to get worse, predicts an insider. 'There is just so much animosity between them.'

WHO GETS THE FUR BABIES?

The exes have four dogs: three who live in LA, and another in New York. 'They've always referred to them as their children, and it looks like Jen will keep the LA dogs with her and Justin will keep the pit bull in New York. But it was the biggest bone of contention in the split,' says a source. However, Justin won't have to say goodbye forever: 'They've made an arrangement for visitation,' says a pal.

WEDDING HAIR GAME PLAN

With her big day in sight, here's how Anna Heinrich is prepping for her best hair ever

Anna Heinrich, Pantene Ambassador

Planning a wedding is super stressful, something Anna Heinrich knows about firsthand. Anna's ultimate hair goal is to keep her strands strong and healthy in the lead up, with prep steps in place to get long, shiny tresses in time for the big day.

STEP 1: Set hair goals Anna's glossy blonde hair is her trademark, so she's focussed on keeping it strong for her big day. "Your hair can make or break a look, so I know the importance of healthy, shiny hair, which all starts with the right shampoo and conditioner."

STEP 2: Get a regimen Anna knows every day counts towards reaching her wedding hair goals, so she's pairing Pantene Pro-V Daily Moisture Renewal Shampoo with 3 Minute Miracle Conditioner to strengthen and repair damage every day. "I'm all about maintaining strong, healthy hair so I can create a long, shiny base for whatever style I choose."

STEP 3: Transform from all angles While perfect products are the first step to Anna's dream wedding hair, what happens outside the shower counts too. "I'll be making sure I'm eating the right foods to support healthy, shiny hair, and will try to give my hair a break from heat styling on my days off."

Remington Schulz, Pantene Hair Ambassador

"Boost the efforts of conditioner by squeezing out moisture and combing through for maximum coverage"

BACHELOR PARTY THE CENT

INSIDE THE DUCHESS' EPIC THREE-DAY BLOWOUT FOR HER NEW SISTER-IN-LAW

Meghan Markle admits she has no idea what the Duchess of Cambridge (and new BFF) has in store for her hen's do. 'I'm not sure,' she admitted when asked about the festivities at a recent royal engagement. 'It's sorted! It will be fun.'

Before Meghan, 36, and Harry, 33, wed on May 19 at St George's Chapel at Windsor Castle, 'Kate will throw the bachelorette party of the century,' a royal insider tells *OK!* exclusively. 'She's pulled out all the stops.'

Thirty of Meghan's closest friends – including stylist Jessica Mulroney, actress Priyanka Chopra and socialite Violet von Westenholz, who set up Harry and Meghan in 2016 – will likely be invited to the three-day celebration. And those from out of town will be flown to London on as many as five private jets, adds the insider. 'There will be no expense spared!'

It's just the start of Kate's grand plans. She'll host the group at her residence at Kensington Palace for an afternoon get-together. 'Meghan and all her friends can catch up behind closed doors,' notes the insider.

And like most brides-to-be, Meghan will be outfitted with a tiara. Kate has asked her husband – Harry's brother Prince William – to borrow the Spencer Tiara often worn by Wills and Harry's late mother, Princess Diana, for the formal lunch. 'She thought it would add some class and sentimental value to the occasion,' says a royal insider.

Following a lavish seven-course lunch, the women will indulge in a high-end wine tasting. 'As Meghan is a red wine connoisseur, they'll get to try some of the most expensive French wines in the world. Some cost at least $6400

As the alcohol flows, they'll play naughty party games including Never Have I Ever, Kiss Marry Kill and Lingerie Shower Bingo. 'Kate is also renting a karaoke machine, so the bride-to-be can sing along to all her favourite Justin Bieber songs – I wouldn't be surprised if they ended up dancing on tables,' says the insider. 'She has arranged for a photo booth. It comes with bachelorette props – glasses saying "bride to be", feather boas and "no boys allowed" signs.' Another guest plans to bring masks of royal family members' faces!

'The girls will surprise Meghan with fun presents, including sexy Agent Provocateur lingerie and X-rated baked goods,' says the insider. Even Harry's grandmother Queen Elizabeth will likely arrange to have something sent, with some 'betting that the Queen will surprise Meghan with some sexy underthings'.

But not all the gifts will be silly. Kate has put together a photo album for Meghan. Says the insider, 'It has all of Meghan and Harry's most special moments, as well as images of her, William, Meghan and Harry together.' The group is also chipping in to send the newlyweds to the island of Mustique after the wedding.

The next night, the group will hit the town. 'Kate wants the venue to remain top secret,' says the insider, so she's booked eight hotspots under a pseudonym. 'Kate has even joked that they should all dress up in disguise to avoid any unwanted attention.'

> IT WILL DEFINITELY BE A BOOZY AFFAIR THAT WILL GO INTO THE EARLY HOURS

But it won't get too out of hand. 'Meghan would be mortified if there was a male stripper,' tells the insider. 'She'd hate for photos of a naked man all over her to leak just before the wedding day.'

After the night of partying, Kate has booked them into the exclusive Soho Farmhouse in Oxfordshire – home to the Cowshed Spa, where treatments cost hundreds of dollars. 'It's always been one of Meghan's favourite hangouts,' says the insider. 'It's the perfect place for them to wind down and relax.'

'Kate is determined to make it an unforgettable occasion,' adds the insider. 'She wants Meghan to be reminiscing about it for years to come.'

THE BOYS' BASH

William is also 'sparing no expense for Harry's bachelor getaway', says a source, revealing that they'll party in Verbier, Switzerland.

Is there another Justin on Selena's mind?

Justin finally broke his social media silence on February 26. The actor tagged Selena Gomez in an adorable puppy snap – his first Insty post since his split from Jen. Sel is a good pal of Jen's, often going to her for 'maternal advice', making the tag even more awks. Something tells us Biebs ain't gonna be 'chill' about this!

THEY'RE SO SIMILAR

FLIRTY WITH CO-STARS

While Brad and Ange famously hit it off on the set of *Mr. & Mrs. Smith*, Justin has also previously sparked rumours about his close working relationships with co-stars.

OFFBEAT TRINKETS

They both have a penchant for the stranger things in life. Ange wore a vial of her ex-hubby Billy Bob Thornton's blood around her neck, while Justin has admitted he used to collect human teeth.

THEY LOVE KIDS!

Ange loves her brood of six children, and Justin is also said to have tried for kids with Jen – but sadly, 'it didn't work out'.

THE STAR HAS HER SIGHTS SET ON JEN'S ESTRANGED HUBBY

The dust has barely settled since Jennifer Aniston and Justin Theroux announced their split on February 15. But it seems Angelina Jolie is already making her move on the former *Friends* actress' ex! 'Angelina is interested in working with Justin,' says an insider. 'Apparently she's a big fan of *The Leftovers*.' And they've already met up!

The 42-year-old is slowly dipping her toes back into acting after a three-year hiatus and is said to have had her eye on Justin, 46, for quite some time. 'She actually put feelers out before he and Jennifer's split,' shares the insider.

But with Jen, 49, having shared her dislike for Ange, labelling her 'very uncool' in a 2008 interview, Justin was previously off-limits. 'When Justin and Jennifer were together, no-one expected it to happen,' says the insider. 'But now that they've split, the chances of him saying yes to Angelina are way up.'

While the collaboration would no doubt be a stab in the back for Jen, Justin's career has always been his top priority. 'Justin's a very ambitious guy and his star is on the rise,' admits the insider. 'Doing a project with Angelina could really take him to the next level.' But the decision would no doubt be a difficult one. 'Of course it would really hurt Jennifer, so that may be a deterrent for him, but it's certainly going to be tempting for him,' adds the insider.

However, with Ange's union with Brad Pitt one of the most publicised co-star romances in history – and Justin also known for his flirtatious on-set behaviour – could the pair really stick to a 'working relationship'?

'I think we found this strange friendship and partnership that kind of just suddenly happened,' Ange previously shared of working with Brad on *Mr. & Mrs. Smith*. Justin can also attest to building close bonds on-screen, having started dating Jen shortly after they worked together on the 2012 film *Wanderlust*.

And now, with both marriages headed for divorce and their two exes said to be in 'close contact' over the past year, could this be Ange and Justin's ultimate revenge? ●

POOR KATIE

THE COUPLE CLASH OVER HIS DATES WITH HIS BABY MAMA

Jamie Foxx was all smiles as he met up with a beautiful brunette for lunch in LA on February 17. But it wasn't his long-time undercover girlfriend, Katie Holmes, with whom he'd just spent Valentine's Day. For the second time that week, the Oscar winner was hanging out with Kristin Grannis, the mother of his nine-year-old daughter Annalise, and according to witnesses, Jamie even bought her a lavish gift in the form of a black designer purse.

Now Katie is starting to suspect they're more than just friendly exes. 'She recently found out about a string of texts Jamie sent to Kristin that included details of secret meetings – and him admitting he still loved her,' an insider says of the relationship, which has reportedly caused tension between the actor, 50, and his famous girlfriend, 39, in the past.

After nearly five years of quietly dating following her 2012 divorce from Tom Cruise, this latest betrayal is devastating to Katie, who recently stepped out with the *Ray* star at a Hollywood event for the first time. 'It's taken her years to trust Jamie enough to publicly be seen with him, and he showed a blatant lack of respect,' says the insider.

It seems Jamie doesn't want to give up either woman. 'He insisted there was nothing more to the relationship than him and Kristin discussing their daughter,' the insider tells.

That may explain why Jamie was photographed holidaying in Hawaii with Kristin and Annalise in 2014. But Kristin also joined him – without their daughter – at Leonardo DiCaprio's birthday party last November, as well as a basketball game with friends on February 11. He also reportedly spends lots of money on the mother of his youngest daughter – which has led Katie to question their relationship.

CRET IS EX

'THE OTHER WOMAN'

Jamie wasn't shy about meeting up with daughter Annalise's mum, Kristin, whose identity was secret until last year.

To add insult to injury, the same day Jamie met up with Kristin, he was publicly dismissive of Katie. As he left a February 17 party in LA, he was caught on camera quipping, 'It's Black History Month… No white girls until March 1.'

> IT'S TAKEN HER YEARS TO TRUST JAMIE ENOUGH TO BE SEEN WITH HIM

Just one day earlier, Jamie made headlines when he walked away during a television interview when asked about spending Valentine's Day with his girlfriend. 'Jamie could've handled the situation with much more dignity,' says the insider. 'Katie was totally dissed by him.'

However, Jamie refuses to lose her. 'He's desperately trying to make their relationship work. He's planning a make-or-break luxury vacation for them and begging Katie to hear him out,' the insider explains.

'But it's going to take a lot of hard work and effort for Jamie to get back into Katie's good graces,' adds the insider. 'Because his behaviour is unforgivable.'

'I GET DEVASTATINGLY LONELY'

THE OSCAR WINNER REVEALS HOW BEING SUDDENLY SINGLE HAS AFFECTED HER LIFESTYLE

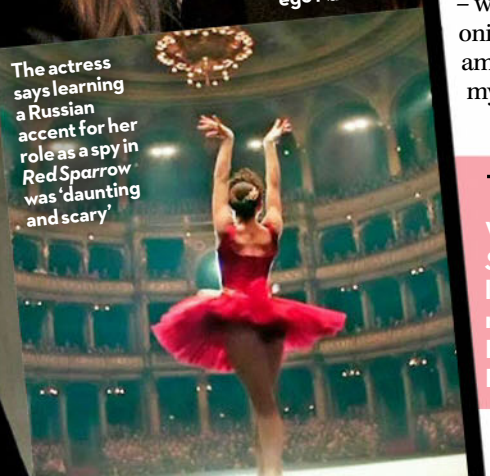

Jen worked with Pilates and fitness coaches to achieve a dancer's bod

'He's a nice guy with good ethics who finds himself falling for Jennifer's character,' Joel says of his alter ego Nate Nash

'It's not just a spy movie. All of these characters are so deep,' says Jen, who plays Dominika Egorova in the film

The actress says learning a Russian accent for her role as a spy in *Red Sparrow* was 'daunting and scary'

Living in LA has its drawbacks, according to Jennifer Lawrence. The star admits she feels nervous every time her beloved dog Pippi ventures outside. 'Coyotes, bigger dogs, rattlesnakes, big crows,' she explains. 'Every 20 minutes I have a heart attack. I'm going to be a great mother.'

The word 'mother' popped up a lot last year for Jen. *Mother!* is the horror flick she was working on when she fell in love with director Darren Aronofsky, and she admits the movie played a role in their September split when it bombed at the box office. 'I'm in single mode where I am like, "Cool, I can do whatever I want,"' Jen says. 'In a few months I will be devastatingly lonely... but I'm not there yet.'

The 27-year-old admits she likes to stay in and as a result, she's close to her neighbours, including Cameron Diaz and Zoe Saldana – who's been known to drop by to borrow onions! 'I have a neighbour who is the most amazing cook, so I've just been getting all my meals over there,' Jen laughs.

TINY DANCER

While JLaw had a dance double for *Red Sparrow*, she trained daily in order to move like a ballerina. 'Jen had to learn all six minutes of choreography,' says her trainer Kurt Froman, who also worked with Natalie Portman and Mila Kunis in *Black Swan*.

With no prior training, JLaw worked out exhaustively for three months. 'We had a fantastic team of trainers from New York and Justin Peck,

who's with the New York City Ballet.' The film also called for her to get into serious femme fatale mode after years of avoiding sexy roles. Here, Jen talks about how she beat the bullies and took charge of her career...

You play a sexy ballerina assassin in your new movie *Red Sparrow* – sounds tough!

Sparrow school was definitely daunting because what you see, I really did. My character is told to strip in front of the class, and I had to strip in front of a class and an entire crew. I worked myself up [about the scene]; I was really nervous. But Francis made me feel so much more comfortable. Everybody made me feel like I had clothes on. And then when I finished, I just walked out feeling empowered. I felt amazing.

It's a bit racier than your previous roles...

I haven't done anything sexy or sexual. I've been afraid of that since 2014, when I got my pictures hacked. I just thought, 'I'll never do that again. I'll never share that part of myself ever, since it got shared against my will.' And then when I said yes to *Red Sparrow*, I felt I was taking something back.

Was the nudity in *Red Sparrow* different because you had a say?

Nudity by choice is a completely different thing from being violated. This was my choice, and it was for my craft.

KEEPING UP WITH KIM

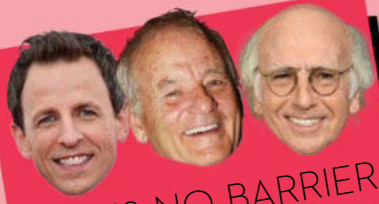

Jen jumped at the chance to interview Kim when guest hosting *Jimmy Kimmel Live!* but admits, 'I don't know that she'd call me her friend. It's probably a one-sided friendship.'

The pair were in hysterics as Kim recalled a rowdy night with Jen at her mum Kris'

Jen's crushes are Seth Meyers, Bill Murray... and 70-year-old comic Larry David! 'I'm in lov with him,' she l appily admits.

HE NEEDS TO (REALLY) LIKE REALITY TV

'I love *Intervention*, New York *Housewives* – and Beverly Hills, New Jersey, and Atlanta...' she gushes. OK, we get it!

BODILY FUNCTIONS ARE PERMITTED...

Jen wants a man who 'isn't afraid to fart in front of me [because] you can be your true self with somebody, and somebody can be their true self with you'.

BUT ARGUING ISN'T

'I don't like fighting, and I find argumentative people the most annoying people on the planet,' she says. 'Like, why do you still want to be fighting? It's just unattractive.'

IT'S TIME TO PLAY...

CELEBRITY MATCHMAKER!

In the past, Jen has been linked to Nicholas Hoult, Chris Martin and Darren Aronofsky. But while she's currently single, she's laying down the rules for any would-be suitors!

EATING IS EVERYTHING

'Eating is one of my favourite parts of the day,' JLaw says. 'I can name a lot of things that taste better than skinny feels: bread, potatoes, a Philly cheesesteak and fries...'

You've said there were moments earlier in your career when you didn't feel in charge...
A female producer had me do a nude line-up with about five women who were much, much thinner than me. And we all stood side by side with only paste-ons covering our privates. After that degrading and humiliating line-up, [she] told me I should use the naked photos of myself as inspiration for my diet.

Ouch... And you were then asked to lose about 7kg in two weeks?
I asked to speak to a producer about the unrealistic diet regimen, and he [told] me he didn't know why everyone thought I was so fat. He thought I was 'perfectly f---able'.

Has fame made it harder to date?
It's the contradiction. You yourself are powerful, but you want to be with somebody who is also powerful that you can look up to. To find someone who can do that, but also respect your power and not be threatened by it, that takes a very special thing.

So what's next for you?
A break. The American public – the international public – will need a break from me... even the aliens are annoyed!

JLAW DOES... THE LIZ!

Did somebody say va-va-voom? Jen showed off some dangerous curves as she promoted *Red Sparrow* in London on February 20. Her plunging black Versace gown brought back memories of a similar frock worn by Liz Hurley almost 24 years ago! But Jen wasn't impressed when some critics said her dress was too skimpy for the chilly winter conditions. 'This is not feminism,' she says. 'That Versace dress was fabulous, you think I'm going to cover that gorgeous dress up with a coat and a scarf? I was outside for 5 minutes. I would have stood in the snow for that dress because I love fashion and that was my choice.'

LISA VANDERPUMP

I'm not a diva!

'I DON'T EVEN HAVE AN ASSISTANT!'

THE FAN-FAVOURITE REALITY STAR OPENS UP ABOUT HER FABULOUS LIFE

Many have a flair for drama, but few reality stars are actually as busy as Lisa Vanderpump. When she's not starring on *The Real Housewives of Beverly Hills* and *Vanderpump Rules*, the UK-born star, 57, is running three restaurants – Pump, Villa Blanca and SUR – and has a fourth, Tom Tom, in the works. She also edits *Beverly Hills Lifestyle* magazine and oversees the Vanderpump Dog Foundation, an animal rescue non-profit organisation she founded with husband Ken Todd, 72, in 2016.

But despite such a busy life, Lisa insists she's no diva. 'I have very few people around me,' she reveals, adding that she doesn't employ an assistant or a personal trainer. 'I probably need [a trainer], but I don't have one!'

Here, Lisa talks about botox, her biggest celebrity crush and her worst (and best) *RHOBH*-related moments.

NEW HOTSPOT

'It's going to be sexy with amazing cocktails and a family-style menu,' Lisa says of Tom Tom, her new eatery with *Vanderpump Rules* star Tom Schwartz.

With all these restaurants in your life, what's your diet like?

I eat quite healthily – a lot of vegetables and fish, very little meat, and I try to cut out the carbs at night. But I do indulge in a great dessert.

Do you find time to exercise?

I go on the treadmill when I'm on the phone for 45 minutes in the morning.

Your skin looks amazing for your age! What's your secret?

I'm only 35! [Laughs] I have no face lifts or anything; you can check for scars! I go to Epione, Dr Simon Ourian's [medical spa], and I bow to him. He does a little bit of botox, a little bit of filler, and he just does great skincare.

Who are you closest to on the *Vanderpump Rules* cast?

I actually love all of them, even Kristen [Doute], though she drives me crazy. It's six years of bonding on a reality show. And don't forget, most of them worked there for four or five years before.

How's the current season of *RHOBH*?

Teddi [Mellencamp] definitely changes the dynamic. I like her. She's a straight shooter, smart, definitely a different flavour. She's a good addition.

Favourite *RHOBH* moment ever?

Getting my star on the [Palm Springs] Walk of Stars, being on *Dancing with the Stars*, speaking before Congress. [My daughter] Pandora and Jason [Sabo]'s wedding. There have also been some that haven't been so great, honestly.

Like what?

Oh, Dubai was awful with Eileen [Davidson] and [Lisa] Rinna coming at me, accusing me of shit.

Why are you good for *RHOBH*?

Listen, I bring the most important component of all and that's why [network] Bravo keeps me: [my dog] Giggy!

How has the show made life better?

It's given me so many opportunities to bring attention to my LGBT advocacy and [efforts to end] the Yulin Dog Meat Festival. And it's been great for business. I don't take any of that for granted.

How do you have time for these causes?!

I want to give back. So between my [dog] rescue centre, the Teenage Suicide Hotline, feeding the homeless at Villa Blanca… I pile on as much as I can! ●

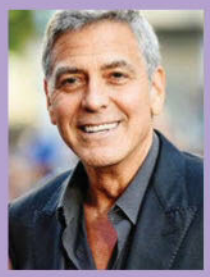

RHOBH *forever?*

'Who knows? I'm a lot to deal with!' Lisa says of how long she'll be on the reality show. 'A couple of times I've said, "I can't!" And Bravo [executive producers] were like, "You've got another one left in you!"'

LISA SPILLS THE BEANS

SHE CANDIDLY ANSWERS SOME PERSONAL QUESTIONS...

WHO IS YOUR CELEBRITY CRUSH?

It's so cliché, but it's got to be George Clooney. He's got a sense of humour, and I really need that when I take my clothes off!

DO YOU HAVE ANY COLLECTIONS?

Dogs! I have eight right now. I collect many things. I collect little compacts, little travel compacts. I collect handbags like crazy.

WHAT MOVIE HAVE YOU REWATCHED THE MOST?

***Ghost*. I love that love story.**

DO YOU HAVE ANY GUILTY PLEASURES?

LVP Rosé is a guilty pleasure. Oh, and I love watching *The Crown*.

WHAT DID YOU HAVE FOR BREAKFAST THIS MORNING?

Fruit salad, two cups of tea and whole wheat toast with marmalade.

DID YOU HAVE A CHILDHOOD NICKNAME?

Pumpkin, because of Vanderpump.

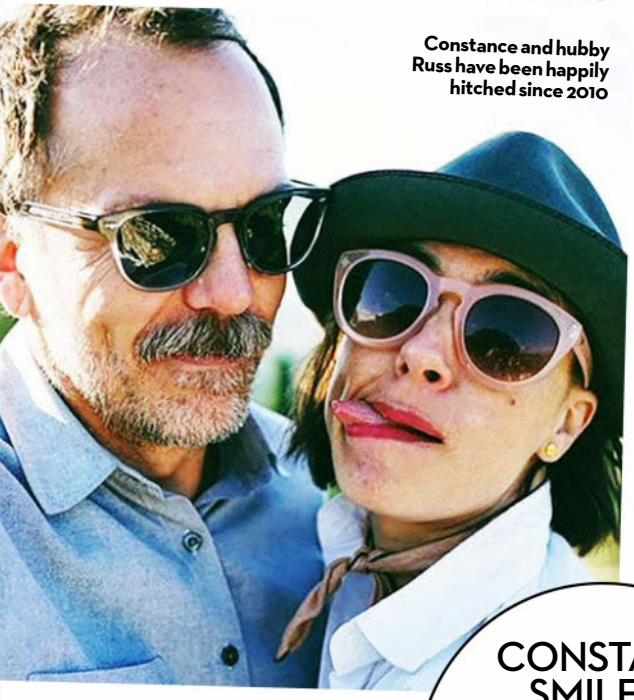

WHAT IS THE MOST EMBARRASSING SONG IN YOUR ITUNES LIBRARY?

***You've Lost That Lovin' Feeling*. I wail to that!**

The actress says her daughter Colette is a huge support

Constance and hubby Russ have been happily hitched since 2010

CONSTANT SMILES!

The acclaimed actress knows just how good she's got it, crediting her daughter Colette for her happiness. 'She's such a sweet kid,' gushes Constance. 'I'm very lucky.'

Shiri (left) and Constance are foes on-screen, but friends in real life

'I didn't expect this is where I'd be at this stage of my career,' Constance says

UNREAL

Constance Zimmer

'I'M STILL A BADASS!'

UnREAL was created by former producers of *The Bachelor US*

THE QUEEN OF REALITY TV TELLS ALL TO *OK*!

When Constance Zimmer chats to *OK*! from her home in LA, she sounds exactly like her no-nonsense alter ego, Quinn King – minus the swearing! But the 47-year-old insists she's not quite as scary – or messed up – as her *UnREAL* character Quinn IRL.

'People on the street definitely approach me as if I'm a viper who's going to strike then slither away,' she laughs. 'The ones who do approach usually find I'm actually incredibly nice, so it always gives me a good laugh.' Here, Constance reveals what we can expect from the third season of *UnREAL* – hint: it involves a lot of very hot men! – why playing a tough gal like Quinn is the best and what real life's like for her away from the set of *Everlasting*...

Can we get all the goss on season three, please? It's been too long!

Well, we've got a suitress called Serena [Caitlin FitzGerald], so that means we're surrounded by 25 hot men who are trying to win her heart. That's definitely changed the dynamic! The season also starts out with Quinn and Rachel [Shiri Appleby] not playing to their usual strengths. Quinn is struggling a little bit; she's still a badass, but she's kind of beaten down at the start.

You're working with Australia's own Kassandra Clementi on *UnREAL*. Has she taught you any Aussie slang?

No, she hasn't, but she should! She's the sweetest girl. I spend most of my scenes being horribly mean to her. After they called 'cut', I'd be like, 'I'm so sorry, you're so sweet and I feel bad for being such a bitch to you!' We laugh a lot.

Do you socialise with Shiri and your other castmates much?

We usually catch up on set in each other's trailers, where we're trying to get warm in front of our fake fires! Vancouver is cold. I don't get to socialise much otherwise because I fly home to my husband and daughter in LA every weekend while we're filming.

What does your daughter Colette think of your work?

She's only 10 so she doesn't see much of my work, but she's proud of me, I think. When I found out I was going back to *House of Cards* [playing Janine Skorsky] and that it would mean more travel, she was so sweet. She grabbed my hand and said, 'Mum, this is what you wished and hoped for, so we're happy for you.' She's in fourth grade. She's a great kid. I'm very proud.

Shiri Appleby

'I'M HAVING THE BEST TIME'

As *UnREAL*'s manipulative producer on *Everlasting*, Rachel Goldberg has had her fair share of dramatic storylines – and that's set to continue. Shiri Appleby, 39, who plays Rachel, says fans can expect 'a really great season'.

In real life, Shiri's nothing like messed-up Rachel. She's happily married to chef Jon Shook and the couple have two kids, Natalie, four, and Owen, two – a happy domestic set-up that's about as far from Rachel's tangled life on-screen as possible. So what's her appeal?

'Rachel's very complicated,' says Shiri. 'She has these ideals and morals and beliefs about herself in that she thinks she's a good person, yet her job is to basically tear people down and make them feel horrible. And so I knew there would be rich layers to play in her.'

Shiri's also expanded her role on the show and has even directed some episodes. 'I'm having the best time,' she tells. 'Being able to be the person that's finally calling the shots and speaking your mind with confidence is very liberating,' she admits.

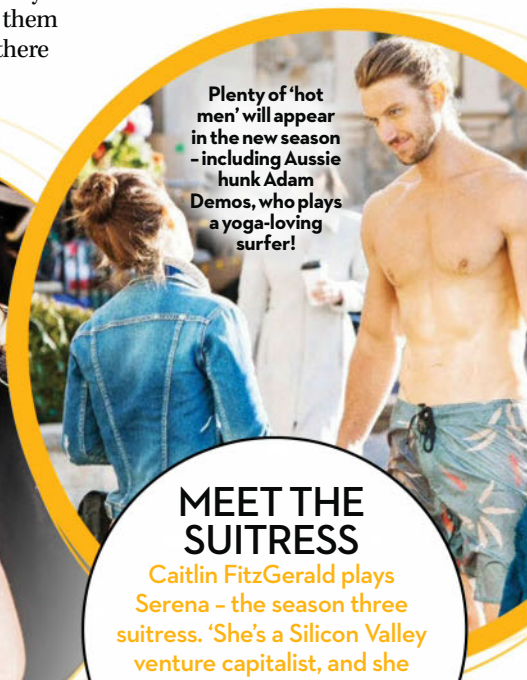

Now that *UnREAL* is entering its third season, life has changed for Shiri. 'I find that people are constantly coming up to me now. There's been a definite surge in people recognising me,' she says.

However, after starting her career as a child, people often talk to Shiri about her back-catalogue, including roles in *Roswell*, *ER* and *Girls*. 'I've done a lot of different things,' she tells. 'There are a lot of different sides to me.'

'It's a really great season,' Shiri says of the third series of *UnREAL*

Prior to *UnREAL*, Caitlin played Libby on *Masters of Sex*

Plenty of 'hot men' will appear in the new season – including Aussie hunk Adam Demos, who plays a yoga-loving surfer!

MEET THE SUITRESS

Caitlin FitzGerald plays Serena – the season three suitress. 'She's a Silicon Valley venture capitalist, and she won't be pushed around by Quinn and Rachel,' says Constance. Expect sparks to fly!

Kassandra Clementi 'I MISS AUSTRALIA'

'I loved Quinn and Rachel and their relationship,' says Kass. 'I was really drawn to that'

She's a long way from Summer Bay, but Aussie star Kassandra Clementi is excited about her new 'dream' job on *UnREAL*. 'I play Crystal who's Chet's [Craig Bierko] "midlife crisis" girlfriend,' she tells *OK!*. 'With all the history between Chet and Quinn, Crystal comes in and creates drama between them.'

Kassandra, 27, previously dated TV vet Dr Chris Brown, but for now she's concentrating on her on-screen relationship with Chet. 'This has been one of my favourite work experiences so far,' she says. 'It was definitely warmer filming *Home and Away*, though!'

So how did you land this gig?
I filmed audition scenes for Crystal when I was in Sydney, a day before flying back to the US. Then I was in Vancouver filming just over a week later. It was that quick.

Did you find it difficult to nail the American accent?
I did a couple of accent sessions to make sure I was up to scratch!

You're based in LA these days. What do you miss about home?
I've got an apartment in LA, but Australia will always be home. I miss everything about it – family, friends, the countryside and food. I'm lucky to have built up a supportive community overseas, though, including some lovely Aussies!

Are you still in touch with any of your *Home and Away* friends?
Absolutely, I had a 'family reunion' with Georgie Parker and Ray Meagher not too long ago. That was so much fun.

Watch ***UnREAL*** Tuesdays from 4pm on Stan

Kass, here with Jackson Gallagher, played Maddy Osborne on *Home And Away* for four years

The blonde beauty is set to cause a stir in season three

THE NEW RECRUIT

Kass says filming with Craig, who plays her on-screen love Chet, was 'awesome'. 'I've filmed the majority of my scenes with Craig, who is incredibly talented, lovely and hilarious. I've been made to feel very welcome,' she smiles.

LESLIE HAD TO CARE FOR HER CO-STARS

Making movies is a family affair for writer-director Judd Apatow. In 2007's *Knocked Up* and 2012's *This Is 40*, Judd, 50, cast wife Leslie Mann and their daughters Maude, now 20, and Iris, now 15, as a family (with Paul Rudd standing in as the dad). But while Judd says his girls' real-life annoyance with each other made for a convincing performance, it wasn't easy for Leslie, 45. 'I'm Mum and I'm also working,' she says. 'So if they're having problems or they're fighting... I have to put out that fire. So it's like double the amount of work!'

THE FAMILY *business*

HOLLYWOOD'S HEAVY HITTERS CAN'T RESIST SHARING THE SCREEN WITH THEIR KIDS!

NO OTHER KID WOULD WORK WITH ANGE

Angelina Jolie has claimed she doesn't want her six children to become actors. So why cast youngest daughter Vivienne in 2014's *Maleficent*? It was a matter of necessity. When the star, 42, was in her frightening costume, 'the other three- and four-year-old [actors] wouldn't come near me,' she says. 'It had to be a child that liked me and wasn't afraid of my horns and my eyes and my claws. So it had to be Viv.' Vivienne, now nine, rocked the role of a young Aurora – which shouldn't come as that much of a surprise. Ange's own first film was 1982's *Lookin' to Get Out* with dad Jon Voight!

WILL ACTS AS A SUPPORT SYSTEM

For more than a decade, Will Smith has been appearing in movies with his kids. Daughter Willow, 17, acted with her papa in 2007's *I Am Legend* (below), while big bro Jaden, 19, starred alongside Dad in multiple flicks, including 2006's *The Pursuit of Happyness* (right) and 2013's *After Earth*. Their parts? The children of Will's characters, of course! Still, the patriarch, 49, insists he and actress wife Jada Pinkett Smith, 46, made a conscious decision not to let their egos dictate their kids' career choices. 'We just try to find the things they're good at and support [them],' he says.

RUMER'S NOW RETURNING THE ACTING FAVOUR

SHE HAS THEIR HEARTS HOSTAGE!

Rumer Willis was six when she first shared the screen with mum Demi Moore in 1995's *Now and Then*. A year later she won the role of Demi's daughter in *Striptease* (left). She's also appeared with dad Bruce Willis, 62, in *The Whole Nine Yards* and *Hostage* (inset). Now, the 29-year-old's the one helping her parents land gigs. In 2017, Demi, 55, joined the cast of TV's *Empire*, in which Rumer stars as Tory Ash.

MELANIE & HER GIRLS HAD NATURAL CHEMISTRY

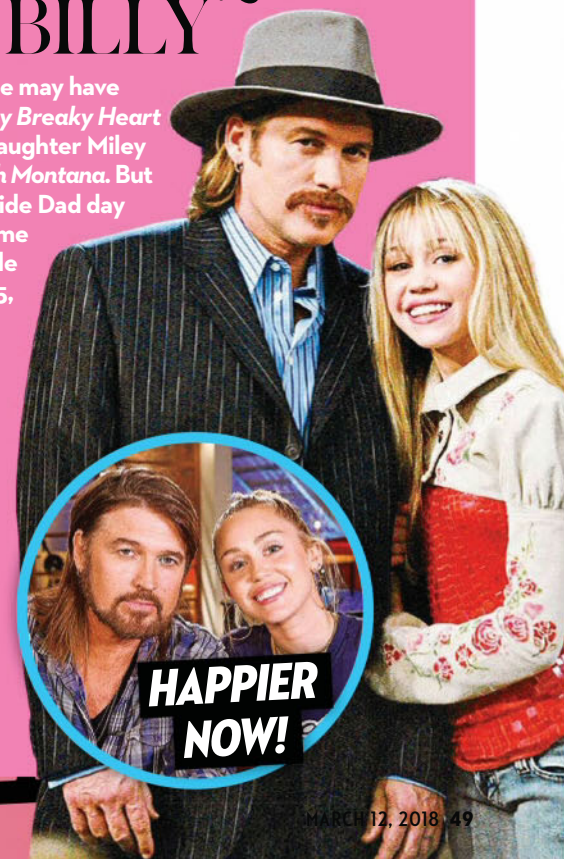

A SISTER ACT!

When it came to casting his directorial debut, 1999's *Crazy in Alabama*, Antonio Banderas, 57, looked close to home. Then-wife Melanie Griffith, 60, starred as a kooky murderess, while their little girl Stella and her half-sister Dakota (Mel's daughter with her actor ex Don Johnson), snagged small roles as her kids. Though Stella, now 21, is focusing on college, Dakota was bitten by the acting bug.

'It made sense; I watched my parents do it,' says the *Fifty Shades Freed* star, 28. 'I grew up on set; it was magical.'

MILEY GOT WAY TOO MUCH QT WITH BILLY

Billy Ray Cyrus' fame may have helped land the *Achy Breaky Heart* singer, 56, and his daughter Miley their gigs on *Hannah Montana*. But having to act alongside Dad day in and day out became too much for his little girl. In fact, Miley, 25, now blames their time filming the show (which ran from 2006 to 2011) for her infamous wild-child phase! 'I didn't get a school escape like most people. I went to work with my dad,' she explains. 'I had just spent 10 years every day with my dad... I had to break free.'

1 This liquid lippie gives your pout 24 hours of non-stop matte wear without drying out.

2 If Barbie had her own lipstick, this would be it. It's super shiny with hints of shimmer and a high-gloss finish.

FYI

Don't be afraid to opt for a gloss. New formulations mean it's no longer sticky or tacky, so it won't catch your hair.

3 A creamy gloss that doesn't feel like gloss at all. It's slippery over sticky and saturates lips with colour.

4 The cooling technology in this plumping cream visibly enhances lips over time, while smoothing your pout.

5 A universally flattering nude that melts into lips.

6 A rich, gooey pigment that evenly coats lips in a shiny, glossy ink.

7 Antioxidants from moringa oil and coffee protect your lips from pollutants.

TIP

Prep your lips before applying colour by scrubbing gently with a wet toothbrush or some sugar from your pantry.

8 A cross between a lipstick and a gloss, this metallic cream packs a punch of moisturising pigment and dries smooth.

9 The look and feel of a liquid lippie but in a crayon, this beauty gives 16 hours of bold, hydrating wear.

10 A high-shine clear gloss is perfect for blending with your favourite shade, like this one, for a vibrant finish.

TIFFINY HALL

‘I LOVE MY post-baby BODY!’

HOW I LOST 21KG

The new mum reveals to *OK!* how she got back into fitness

Self-care was key for trainer Tiffiny Hall after she welcomed her gorgeous baby boy Arnold in September last year.

‘It has been so important to me to enjoy my way back to fitness,’ the TIFFXO founder and former *The Biggest Loser* trainer tells *OK!*.

Tiff, who is married to television and radio star Ed Kavalee, gained 30kg during her pregnancy. ‘I have lost over 21kg since Arnold’s birth,’ she reveals. ‘I would like to lose another three to four kilos, but I’m not totally focused on weight.’

But she says it was crucial to take her time. ‘I walked with Arnold and the pram at two weeks post-natal. Once I had the all-clear from my obstetrician at six weeks, I started back at Pilates and some light resistance training and walking with the baby.’

Tiff currently works out six days a week using her TIFFXO exercise program, which includes a day of active recovery stretching.

‘I’m still not running and I can’t do a tuck jump. But five months post-natal, I’m happy to say I’m back at taekwondo,’ she adds. ‘The important thing is that you feel great, that you are full of energy because you are taking care of yourself and you are feeling happy.’

EMBRACE CHANGE

Taking to Instagram shortly after giving birth, Tiff said, ‘I couldn’t be happier. I look at Arnold and it’s me who created that little ninja!’

'Post-baby, you are stronger in so many different ways,' Tiff says

ARNOLD IS MY PRIORITY

Tiff follows a breastfeeding-friendly meal plan, which is available through her TIFFXO program. 'Arnold is five months old and I'm still feeding [him] five times a day,' she says. 'My milk supply comes first, so I don't diet, cut calories or eliminate any food groups. I eat very healthily to make sure he is receiving maximum nutrition through my milk.'

TIFF'S TIPS FOR NEW MUMS

- 'Take the bounce-back pressure off completely. Focus on how you feel instead of focusing on fat loss. Take it slow, listen to your body and make sure you're working with an expert and receiving sensible advice,' says Tiff.
- 'Find support. I couldn't have lost weight or returned to training (and wouldn't have enjoyed it so much) without my community of real, honest, inspiring TIFFXO women.'
- 'If I'm up more than three times in the night for Arnold, then I do something gentle the next day, like a walk or a stretching video.'
- 'I don't agree with training when you're feeling shattered and sleep deprived. It causes too much cortisol in your system, affects your adrenals, and can also be dangerous and cause injury. So I always check in with myself to assess my energy levels and go from there.'
- 'My old routine of working out whenever I want for as long as I want and as hard as I want after a gorgeous long sleep will never happen again,' she tells. 'I've had to adapt my training to be fast in order to work in with feed times and nap times. I'm now on Arnie time and that's OK.'

TIP
If preferred, omit noodles and serve with rice. It is a good idea to add enoki mushrooms about 1 minute before the end of cooking.

ARIE BAC ON HIS PR

AN ENGAGEMENT IN PERU IS JUST THE SEASON WRAPPED, THIS *BACHELOR*

PUT THROUGH THE EMOTIONAL WRINGER

Arie was afraid of hurting either Becca (top) or Lauren (above), but ended up traumatising them both. 'This finale is juicier and more dramatic than ever!' says a source.

Arie Luyendyk Jr revealed he had fallen for all three women he'd taken to the fantasy suites in Peru – Kendall Long, Becca Kufrin and Lauren Burnham. And on the show's February 26 episode, he had to decide who to send home when the unimaginable happened: Becca's ex-boyfriend showed up to try to win her back. 'It's just kind of blowing my mind that he's here,' Arie, 36, complained. 'I'm angry.'

It was only the beginning of what turned out to be the wildest, most shocking ending in *Bachelor* history. By the time filming wrapped, Arie was engaged – but *OK!* has learnt that months after the cast and crew got back from South America, he changed his mind, dumped the winner and begged the runner-up to take him back – just like Oz Bachelor Blake Garvey did with Sam Frost and Louise Pillidge in 2014! 'It was so dramatic,' a source reveals, noting that the break-up and make-up were both caught on camera. 'It's TV gold,' the source admits. 'The network is so happy with the way it unfolded.'

> *The network is so happy with the way it unfolded*

AN ABOUT-FACE

Arie's final two women, publicist Becca, 27, and tech salesperson Lauren, 26, wish things had played out differently, though. While real estate agent Arie gave frequent interviews after the show finished filming in November admitting he'd fallen for multiple women, no-one anticipated he'd change his mind. 'The winner is absolutely devastated,' the source tells *OK!*. 'Around two or three months ago, he was having doubts about her being the one and decided to end it. And he didn't want to wait until the live *After the Final Rose* special to do it.'

Instead, Arie split from his fiancée in January – and then he sought out the runner-up, the woman he'd crushed months earlier. Surprisingly, she agreed to take him back and more than a month later, they're still dating. 'I don't have any regrets,' insists Arie. 'It was just very difficult at the end.'

COMPETITION SURFACES

For Becca, the experience was tough in more ways than one. The unexpected arrival of her former beau Ross Jirgl

Bachelor history

CKFLIPS OPOSAL!

START! WITH A BREAK-UP AFTER THE ENDING IS ONE FOR THE AGES

stirred things up right before the finale in Peru. College sweethearts, the pair had dated on and off for eight years. 'Ross was not happy about Becca going on *The Bachelor*. He didn't even know she was going on,' a source reveals.

When he found out, the former Minnesota State University football star flew across the globe to reunite with his ex. 'I'm here to tell her I want to marry her,' camera-shy Ross informed stunned producers. 'I'm here to get her back. That's my proposal to give her.'

But Becca didn't accept her ex's offer, holding out hope that Arie, a man she'd fallen for in just a few weeks, would get down on one knee himself. 'Ross is not taking [the rejection] well,' notes the insider. 'This felt like a slap in the face.'

It was also a risky decision for Becca to make. 'Arie is a very indecisive guy and had no idea who he was going to pick until the very end,' says a second source, noting he'd said 'I love you' to Becca, Lauren and Kendall, 26. 'Both girls felt incredibly confident it was going to be them because Arie made it really seem like he was going to pick each of them.'

WARNING SIGNS

Since he was sent home by Emily Maynard on the 2012 season of *The Bachelorette*, everyone thought the so-called Kissing Bandit was ready to settle down, but even he confessed to doubt throughout the elimination process, saying prophetically: 'I don't want to say goodbye to somebody I'm falling in love with and [then] think, "What if?"'

ROSE-ING ABOVE

Arie and his new choice are in the honeymoon-after-heartbreak stage, but she may not be all she seems. 'She's a gold digger,' a second insider claims. 'She seemed fake during a relationship with my friend, and she only goes after guys who have money and can buy her nice things.'

Only time will tell if Arie and his new girlfriend will last – after all, just two Bachelors in the history of the show have married women from their season. 'I am very happy,' insists Arie. 'And that is the one thing I take away from this, is that it's all worth it.'

As Arie's bombshell prepares to explode, producers are preparing to announce the next *Bachelorette* and a likely choice is 26-year-old Arkansas physical therapist Tia Booth.

'She's really pretty and smart and has that sweet Southern-girl personality,' notes a show insider. Tia's spent her time since leaving the show 'being groomed to be the *Bachelorette*,' adds a source. 'It would be an amazing experience getting to be the *Bachelorette*,' Tia recently confessed. 'I would kinda be in control.'

HE COULDN'T MAKE UP HIS MIND

'Arie didn't think that the decision was going to be as hard as it became,' says an insider, 'but he kept going back and forth until the producers finally told him that he had to choose.'

'I do have a wonderful love in my life,' Emily says of her fiancé and former Revenge co-star Josh Bowman

TV

Emily VanCamp

'I LOVE THE BACHELOR!'

THE STAR SPILLS ON HER LOVE OF HORROR – AND REALITY TV

She played *Revenge*'s Emily Thorne for four seasons, and Emily VanCamp knows the show definitely struck a chord with audiences. 'Everyone's wanted to exact it at some point,' the 31-year-old actress says of its appeal. 'I loved challenging myself physically and mentally every day on that show.'

But now, with a new role in hospital drama *The Resident*, we find out what new challenges Emily has ahead of her.

What have you been up to since *Revenge* ended?

I took some time off. I read a couple of pilots, but I wasn't happy with what I was reading. I promised myself I wouldn't work again until I found something that excited me. I loved *The Resident*, so here I am.

What's your character's story?

Nicolette is a nurse who lost her mum to a medical error, so she's very sensitive to that and is in medicine because she wants to prevent that. Her patients mean everything to her.

Nic's different to Emily Thorne!

Totally. There was nothing better than getting all coiffed up, then getting down and dirty and setting an arsehole's house on fire. It was in those moments when I'd think 'I love my job!'

What's downtime like for you?

I actually have a really weird thing for zombie movies. I always watch *28 Days Later* and *The Walking Dead*. But I also love watching *The Bachelor*...

DR HAWKINS AKA MATT CZUCHRY

MEET THE DOCS!

GET TO KNOW *THE RESIDENT*'S NEWEST FACES

Matt Czuchry plays Emily's arrogant love interest Dr Conrad Hawkins. 'I love this character's strength. I love how he stands up for the little guy,' says the actor. If Matt, 40, looks familiar, it's because he played Logan in *Gilmore Girls* and Cary in *The Good Wife*. He prepped for his new role by shadowing doctors. 'I really enjoyed that process of learning everything I could in a limited amount of time,' he reveals.

Manish Dayal stars as Dr Devon Pravesh, with *The Resident* his first lead role. 'That's definitely exciting for me,' he tells *OK!*. 'But the show really is a team of doctors who are all in it together.' And Manish says he'd love the show to stick around for as long as *ER* or *Grey's Anatomy*. 'I hope so! We're so new and we're still finding our feet, but I feel like *The Resident* is definitely a new take on the whole medical drama.'

5 TIMES TYLER WAS SPOOKILY ACCURATE!

THE CLAIRVOYANT SURE KNOWS HIS STUFF...

Koko was shocked at what Tyler had to say

1 Khloé Kardashian

Tyler Henry told a shocked Khloé that her dad Robert died alone because he wanted to spare his family. 'I got a feeling of "I don't want you to be here when I'm actually passing away,"' Tyler shared. The Kardashian patriarch died – alone – of oesophageal cancer in 2003.

2 Alan Thicke

Before singer Robin Thicke's father Alan died from a heart attack in 2016, the actor was told during a reading on *Hollywood Medium* to 'keep in mind your own heart'. Alan died just months later, aged 69, from heart issues.

Jaime was good pals with Brittany until her death in 2009

Watch ***Hollywood Medium with Tyler Henry*** Thursdays on Hayu, or Monday, 8.30pm on E!

3 Jaime Pressly

When Tyler mentioned the initial B and then the name Brittany, Jaime recoiled in shock. 'Brittany Murphy – oh my God!' The pair were good friends before Brittany's shock death from pneumonia and anaemia in 2009. 'I feel like she passed away too soon and she's making my lungs hurt,' Tyler said before Jaime realised who he was channelling.

4 Olivia Culpo

The model was spooked when Tyler connected with her grandmother and mentioned that her name started with an A. That name had been continued in the family and there were four siblings in her family. 'How could you know that?!' she said during the reading.

5 Tom Arnold

In 2015, Tyler told the *True Lies* actor that he and his wife would have another child, despite his fertility issues. Shortly afterwards, Tom tweeted Tyler: 'Buddy you were right about EVERYTHING. We're having a girl this fall.'

HOROSCOPES

JESSICA BIEL celebrates her 36th birthday on March 3

WONDER WHAT'S IN STORE FOR YOU? *OK!*'S INTUITIVE ASTROLOGER TO THE STARS, TEYMARA, TELLS ALL

PISCES
FEB 20 - MAR 20

It's important to realise there are people around you who will be more than happy to create drama in your life right now. Put a hold on all vital communication until things settle down, as your message will be received more positively then, which will help to create your desired outcomes. Keep your cool and don't allow anyone to get to you.

ARIES
MAR 21 - APR 20

You can expect an interesting week in more ways than one. Staying focused on what you want to accomplish will be your best course of action, as this will leave you in a positive frame of mind at the end of the week. If you're feeling confused about a particular situation, take a step back and work through the problem to understand what's really going on.

TAURUS
APR 21 - MAY 21

You'll need to figure out your emotional dynamic this week. By getting off the fence and into life, you'll be in an ideal place to create all you want and more. It's also a really good time to start something new – just watch for any negativity, as it will slowly chip away at your confidence. Make sure you deal with it and don't let your thoughts take over.

GEMINI
MAY 22 - JUN 21

Get ready for offers or invitations to come your way, some of which could include an overseas destination. If you feel like you're forever dealing with other people's issues, you need to do things differently from now on. A settling energy is making its way into your life, so while it works its magic, you can afford to sit back, relax and take it easy.

CANCER
JUN 22 - JUL 23

Find ways to embrace freedom in all areas of your life. Learning to put yourself first will be your winning formula for attaining this. For many of you, this will also mean standing your ground when it comes to dealing with others. Make sure you stay positive when it comes to your finances – the more you have, the more you can do!

LEO
JUL 24 - AUG 23

Look at who you really are compared to how you present yourself. Be clear about what you really want. This needs to be at the top of your to-do list. You're currently in a new learning phase, so the best way to adapt is to embrace change, not fight it. How you respond to these new events will map the journey you'll travel for the rest of the year.

VIRGO
AUG 24 - SEP 23

Home and family figures strongly for you this week. You may fee a little lost, but this is to be expected given all that's happening. You'll have to put your foot down in regards to something that seems trivial. Take action now, as this will save you a lot of stress in the long run. Now is all about determining how you will achieve future success.

LIBRA
SEP 24 - OCT 23

It's time to take control. Going over events that didn't result in what you wanted will give you a chance to learn what not to do in the future. Embracing these insights means you'll be a much wiser individual in the long run. The central theme of this week is changing the status quo and letting others know what your boundaries are, so don't be afraid to speak up.

SCORPIO
OCT 24 - NOV 22

Standing at the crossroads means you have big decisions to make. Face your deepest fears and aim to have some breakthroughs. Dealing with past sorrows will help get you to a better place emotionally – if you want your life to move forward, you need to let go. All in all, this is going to be a dynamic week with the chance for change.

SAGITTARIUS
NOV 23 - DEC 21

You're in the position you're in because of your past behaviour. Take responsibility for everything you've said and done. If you were out of line, pick up the phone or write the email and apologise. Clear the negative energy between you and the other person to gain peace of mind. It's your time to shine, and by letting go you'll be able to do just that.

CAPRICORN
DEC 22 - JAN 20

If you're not happy, why not? What is it you overlooked or didn't go ahead with late last year? Now that your ruling planet Saturn has settled in, you need to face reality and bring more stability into your life. Go ahead and express any deep-seated wants and needs. As for what's happening with your career, make sure you're not compromised.

AQUARIUS
JAN 21 - FEB 19

Learn to open up. Others would describe you as aloof, but they don't understand how sensitive you really are. Their perception of you is based on your behaviour, but being hard on yourself isn't going to help – understanding this will allow you to grow. Being loved and accepted for who you are will only happen when you're true to yourself.

TAYLOR WINS INSTY!

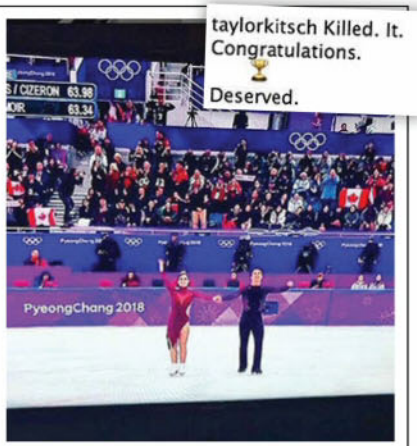

He may have only joined Instagram back in January, but *Waco*'s Taylor Kitsch is already killing the social media game! The 36-year-old actor, who became a hit on TV's *Friday Night Lights*, has been posting like there's no tomorrow and keeping us in absolute hysterics while he does it. Equal parts random and hilarious – don't ever stop being you, Taylor!

WELCOME OF THE WEEK

Trust Kris Jenner (above) to make sure visitors cop an ad for Kanye's brand. 'Gotta love my mum,' says Kim Kardashian, digging the new door mat.

TRADIE OF THE WEEK

Duchess Kate was giving us some serious Bob the Builder vibes while rocking a hard hat on an official royal visit recently. Work it, girl!

PLUG OF THE WEEK

Kim Kardashian recently asked Twitter followers if *This Is Us* was any good – and the show's star Justin Hartley (second from right) helped her out! 'I watch it. I think it's worth a look,' he joked. LOL!
