'You light my fire, baby!' Oscar winner Sam Rockwell said of girlfriend Leslie Bibb

THE 90TH ANNUAL ACADEMY AWARDS SHOW WAS ONE FOR THE BOOKS – AND THE STARS WERE OUT IN FORCE!

She may have missed out on the Best Actress Oscar, with the gong going to *Three Billboards Outside Ebbing, Missouri* star Frances McDormand. But Margot Robbie's night at the Academy Awards in LA on March 4 was no less memorable!

The Aussie actress did us proud with her first ever nomination for *I, Tonya*, bringing along her mum Sarie Kessler as her date.

ROUND OF APPLAUSE

Allison had the audience in stitches with the opening line of her acceptance speech. 'I did it all by myself,' she teased.

Margot was thrilled when her *I, Tonya* co-star was awarded Best Supporting Actress

'I kind of didn't dare to dream of things like this,' Allison said of her win

HAPPY ENDING

'It's already too good to be true,' Margot says of her Oscars nom. 'I'll be happy if nothing else happens again in my lifetime.'

'Oh, ain't got time for that!' Margot joked, after the strap of her Chanel gown snapped during the ceremony

SSIP

However, it was Margot's brother Cameron who stole the limelight, trolling his celeb sister all the way from Oz. 'A message for Margot. Not good enough, are ya?' he joked.

However, the 27-year-old star had plenty to smile about, with her co-star Allison Janney scooping up Best Supporting Actress. 'To my *I, Tonya* family, the magnificent Margot Robbie… you're always in my heart,' the 58-year-old shared.

'Jennifer Lawrence is all of us as she attempts not to spill her wine while climbing over Oscars seats,' one fan shared

Salma and JLaw had a D&M at the event

THE LIFE OF THE PARTY!

With 'nothing to do' but present one award, Jennifer Lawrence worked the room, stopping to chat with pals Salma Hayek and Emma Stone.

Salma was glittering in Gucci while Jen shone in Dior

Jen and Emma Stone didn't want a bar of Judd Apatow...

...but they were happy to pose for a snap with his stunning wife Leslie Mann!

'My favourite men,' Miley said of fiancé Liam and good pal Elton

MiND THE BUMP!

Miley Cyrus, 25, enjoyed a rare night out on the town with her beau Liam Hemsworth, 28, hitting up Sir Elton John's AIDS Foundation Oscars viewing party before the couple headed to the *Vanity Fair* bash. But while their attendance certainly raised eyebrows (after the singer vowed to never walk a red carpet again in 2016), it was Miley's rounder stomach that really had fans interested! 'Baby bump?' questioned one. 'Or just a lil full from dinner?'

The pair looked more loved up than ever as they posed up a storm at the viewing party

Despite not being nominated for an award this year, Jennifer Lawrence caught everyone's attention at the start of the night, after she took a creative shortcut to get to her seat. The 27-year-old star managed the tricky manoeuvre without spilling a drop of her wine or taking a tumble – quite a feat for JLaw, who is famous for having had a few clumsy moments at past Oscars ceremonies!

While the *Red Sparrow* actress was on presenting duties, announcing the winner for Best Actress alongside Jodie Foster, she couldn't resist helping herself to the open bar. And she wasn't the only one who let loose, with her pal Emma Stone, 29, also enjoying a bevvy at the glitzy event.

Host Jimmy Kimmel was in fine form once again, opening the show with a dig at last year's Best Picture mix-up, when *La La Land* was called instead of *Moonlight*. 'I do want to mention, this year, when you hear your name called, don't get up right away,' he joked. 'Just give us a minute. We don't want another thing.' All jokes aside, the show went off without a hitch, with Warren Beatty and Faye Dunaway receiving a standing ovation after bravely returning to the stage to present the 2018 award. 'It's so nice seeing you again,' the veteran actor said.

'So much #Oscars carpet fun,' Nicole Kidman shared, after snapping selfies with fans

After all the golden gongs had been handed out and the formalities of the award ceremony were done and dusted, it was time for a quick outfit change in preparation for the real fun to start!

With their dancing shoes on and drinks in hand, the stars made their way to the many post-Oscars shindigs in Hollywood to celebrate the occasion. However, the *Vanity Fair* bash was once again the place to be, with everyone from former co-stars Margot Robbie and Jared Leto to long-time friends Sienna Miller and Kate Bosworth hitting the soirée in full force.

Sarah Paulson and Holland Taylor enjoyed one hell of a date night!

Miley took an old Hollywood glamour approach to the evening

MODEL MATES

'Could my date be any more beautiful?' Rosie said of Phoebe, who primped with the model ahead of the show.

Miley Cyrus and her man Liam Hemsworth delighted fans when they took to the afterparty red carpet. Miley in particular could not have been more excited to be in attendance, sharing 12 glam snaps of the event on Instagram.

Inside the flash bash, the party raged on. But while model Kendall Jenner was back in top form after taking a break from New York Fashion Week, snapping selfies with fellow stars, partygoers say she was 'oddly reluctant' to pose for pics with her dad, Caitlyn.

Meanwhile, down the road at Elton John's do, Sofia Richie left her beau Scott Disick at home, going as her dad Lionel's date. But her cheeky chat with Spanish model Jon Kortajarena is what really set tongues wagging!

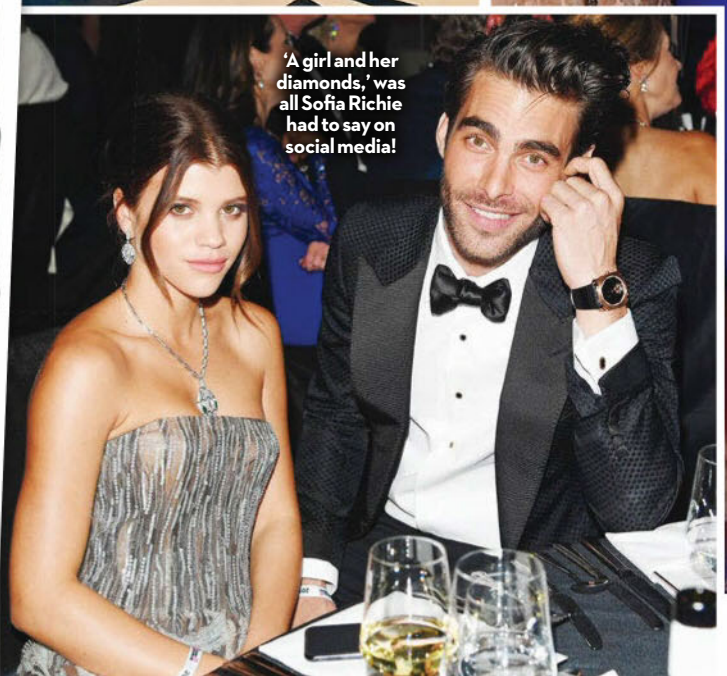

'What a slick couple!' commented one fan

Jennifer Garner's bombshell glamour vibe stole the show! 'Big mistake Ben [Affleck]. Huge,' one fan quipped of the stunner's ex-husband.

Frances McDormand's night took an unlucky turn at the Governors Ball when her Best Actress award was stolen. The 60-year-old was seen 'crying emotionally' outside the venue after a frantic search for the statuette.

But while she and hubby Joel Coen left the event after failing to locate the accolade, it was thankfully found hours later by security, and a suspect arrested for grand larceny.

The actress' rep then shared, 'Fran and Oscar are happily reunited and are enjoying an In-N-Out burger together.' Another happy ending!

Isla and her partner Sacha Baron Cohen made a stunning entrance at the *Vanity Fair* afterparty

Sofía Vergara couldn't keep her hands off hubby Joe Manganiello. 'Luvv uu,' she posted. Aww!

ROARING PERFORMANCE

We're not sure if Katy Perry's vocals or her pink sequinned jumpsuit stole the show at Byron Allen's Oscar party...

'Honestly, the Oscars should run for President 2020,' Katy tweeted. 'Bravo for the incredible heart and inclusivity'

LAST CALL!

Between the *Vanity Fair* bash and Elton John's viewing party, the A-listers definitely enjoyed their night on the town! 'We love the parties,' says Heidi Klum.

Two parties and a couple of outfit changes are nothing for party animal Heidi!

'Twas a nice affair,' shared Amanda Seyfried, here with hubby Thomas Sadoski

Super stylish and completely smitten, Kate Bosworth and Michael Polish were #couplegoals

While the event is for celebrating achievements in the film industry, many took it as an opportunity for a sneaky date night with their other halves! Kate Bosworth stuck close to hubby Michael Polish's side, while new mum Amanda Seyfried, who welcomed her first child in March last year, made a rare appearance with her baby daddy Thomas Sadoski.

Margot Robbie and her hubby Tom Ackerley partied the night away, while both Olivia Wilde and fiancé Jason Sudeikis, and Ashton Kutcher and wife Mila Kunis took time off parenting duties for a night out on the town.

But it wasn't just all about the A-list couples. Rosie Huntington-Whiteley left her man Jason Statham and son Jack, eight months, at home for some quality girl time – while Heidi Klum also opted to go solo on the night.

'Versace on the...' Paris Jackson captioned a snap of her dress as she let loose

'Feeling beyond glamorous tonight,' shared Molly Sims of her night out with hubby Scott Stuber

CLOSING TIME!

While all good things must come to an end, it was probably for the best – no doubt there were some sore heads the next morning!

She may not have won, but Margot Robbie clearly had a blast at the *Vanity Fair* party

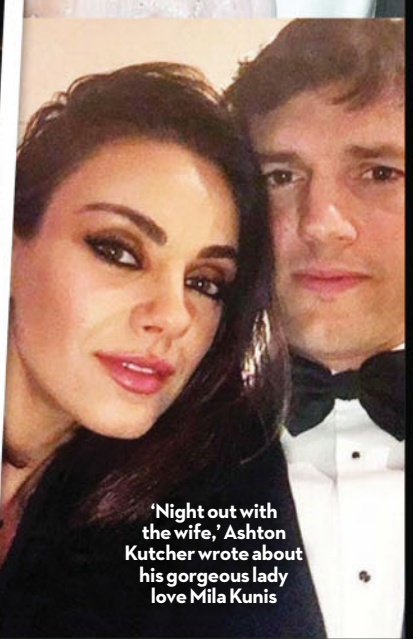

Back to her babies! Olivia Wilde waited for her ride home after the festivities

Megan refuses to control her kids or 'how they should play' to avoid stifling their creative expression and communication.

Megan's gender-neutral kids

'I KNEW WHEN I WAS PREGNANT'

WHY THE ACTRESS REFUSES TO LABEL HER CHILDREN

Transformers star Megan Fox was a tomboy growing up, preferring the outdoors and getting dirty over playing with dolls. 'Much of my ego has been constructed around this idea that I'm not like most girls,' says the 31-year-old. 'I'm somehow more masculine, tougher, less permeable or feminine.' Determined to shake off the labels, she's adamant about letting her three sons with husband Brian Austin Green – Noah, five, Bodhi, four, and 19-months-old Journey – simply be themselves.

'If a boy loves princesses and a girl loves baseball, that's not necessarily indicative of their sexuality,' she explains. 'When I became pregnant with Noah, I could already feel, through my mother's intuition I suppose, that he was not subscribing to gender stereotypes. So I decided to provide an environment for him early on that would allow him to discover how he wanted to express himself.'

While Megan's beliefs have brought criticism, the actress is firmly standing by her decision to give her kids 'the space to find the things that resonate with them' and encourage them.

'I think most mothers feel a pull on their hearts to let their children be who they are,' she says. 'But based on their own conditioning, they acquiesce to pressures to raise the children in a more rigid traditional way.'

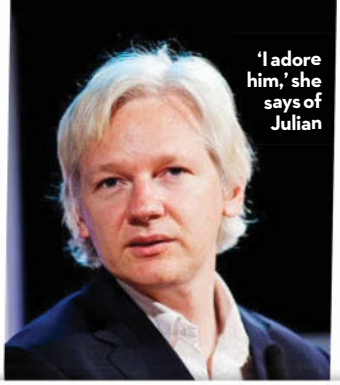

She adds, 'If, by speaking out, I can validate any of those latent feelings, any of those small whispers in a mother, then I am incredibly grateful to have used my voice for something so honourable.'

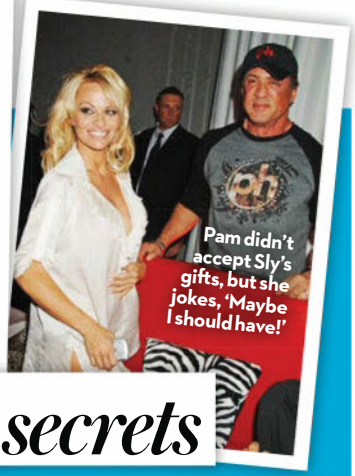

'I do want to get married again... But I have been married a lot,' she concedes

'ONE MAN CAN'T DO IT ALL!'

Ooh la la! Pamela Anderson has lifted the lid on her past loves – and then some! 'My aunt used to say, "One man can't do it all. One for sex, one for conversation, one for entertainment,"' she dished of her suitors to TV host Piers Morgan.

JULIAN ASSANGE

Pam, 50, was quizzed about her alleged romance with the WikiLeaks founder. 'Well, he is a prisoner,' she said, dodging the question and explaining her frequent visits. She insists they 'are very good friends'.

MICHAEL JACKSON

Pamela was totally crushing on the King of Pop! 'I always thought I was going to marry [him],' she reveals. But when they eventually met, the two became friends. 'We went out, but not on dates. He was such an amazing soul,' she recalls.

SYLVESTER STALLONE

Pam says the *Rocky* star tried to buy her affection! 'He offered me a condo and a Porsche to be his "number one girl". I said, "Does that mean there is a number two?" He said, "Of course." He is very funny,' she tells.

HUGH HEFNER

Pam's wild stories from her time in the Playboy Mansion include finding herself in a bedroom with seven naked models wanting to watch her have sex with Hugh. 'I thought, "This is not a movie. I need to leave."'

BROOKLYN'S A CAGE FIGHTER!

It's every mother's worst nightmare: the day her son takes his brawling to the next level. And Posh and Becks' eldest son has done just that! Brooklyn Beckham's training session at a UFC and jiu-jitsu academy in New York left his teachers impressed, with one of them sharing, 'Toughness runs in the blood! Good training today.' But his mum is worried. 'No parent wants to see their child potentially get duffed up and Victoria is the same,' says a source. The 19-year-old is expected to become a regular at the gym while he studies at Parsons School of Design.

Katy & Orly's

'TOXIC' ROMANCE

SHE CAN'T LET HER EXES GO

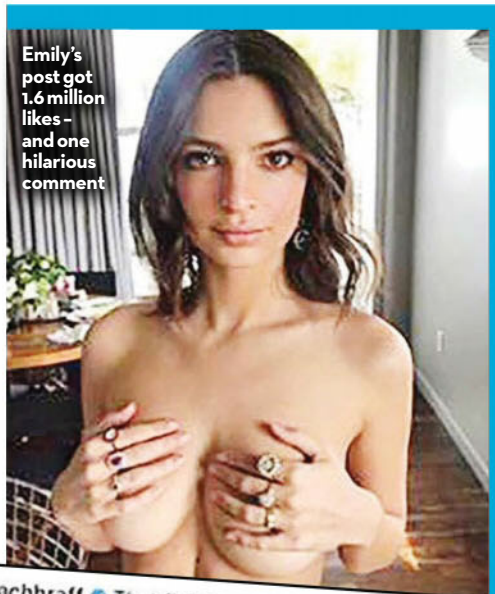

Katy has a habit of reuniting with her former loves – she and John Mayer had an on-off romance from 2012 to 2014.

WILL THE SINGER HAVE HER HEART BROKEN YET AGAIN?

After almost a year apart, Katy Perry and Orlando Bloom were back to putting their love on display when they were spotted strolling around Prague together on February 28. The romantic holiday comes just weeks after the 33-year-old and her actor beau, 41, rekindled their relationship during a vacation in the Maldives in January.

But while fans were excited to finally see the pair back together, Katy's pals are thought to feel very differently about the reignited romance. '[Orlando] is like poison to her self-esteem,' an insider dishes. 'Everyone's tired of watching Katy suffer through these cycles of acceptance and rejection.'

However, it seems Katy is hell-bent on making her relationship with Orlando work the second time around. 'I'm preparing myself for having a family of my own in the near future,' she revealed earlier this year.

Emily GETS TROLLED

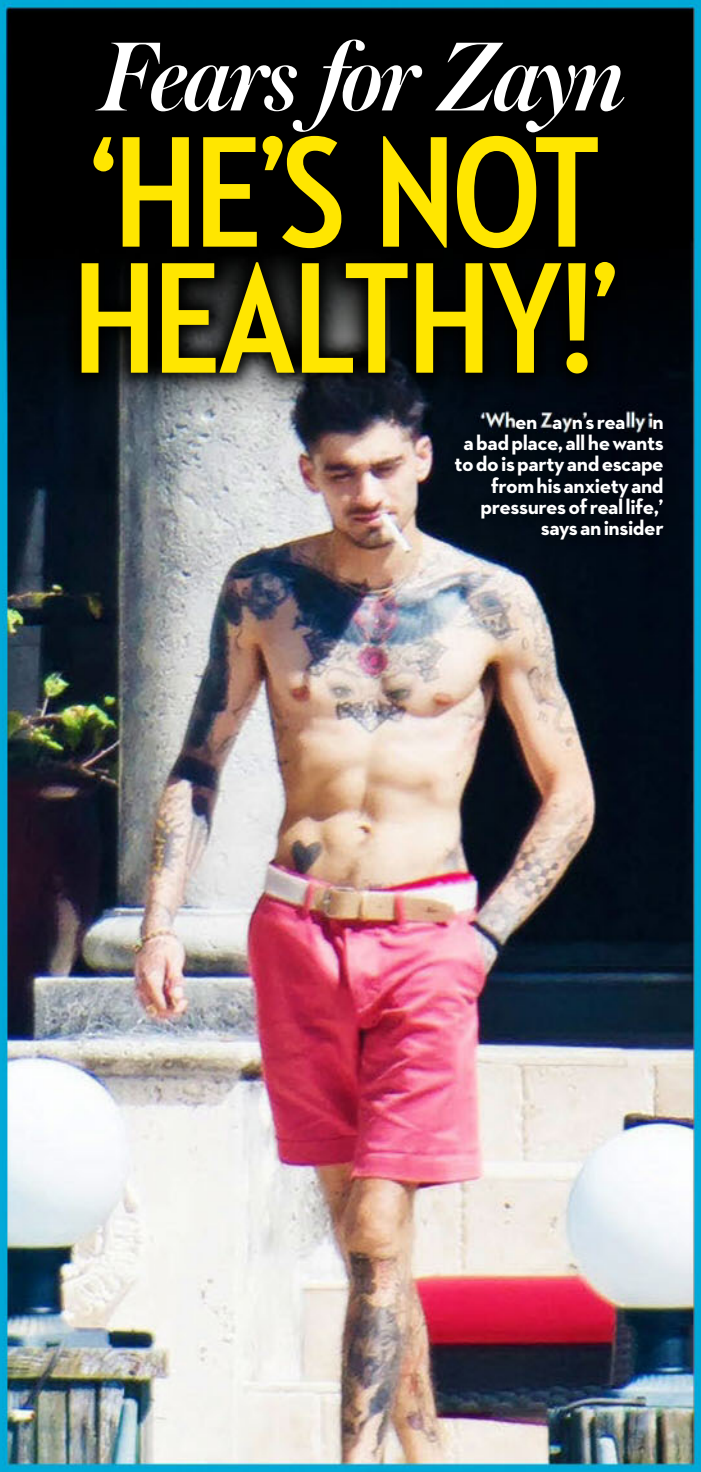

Zach Braff, 42, has taken a keen interest in Emily Ratajkowski's... er, interiors? After the 26-year-old shared a picture of herself in the buff on March 4, the actor couldn't resist trolling the newly married model. 'That flower centrepiece is so pretty,' he joked. It's not the first time he's commented on one of Emily's risqué Insty snaps. 'Love that couch fabric,' he teased on another nude pic.

Fears for Zayn
'HE'S NOT HEALTHY!'

'When Zayn's really in a bad place, all he wants to do is party and escape from his anxiety and pressures of real life,' says an insider

Fans of Zayn Malik, 25, were quick to voice their concerns, after pictures emerged of the singer looking worse for wear outside his home in Malibu on March 1. 'He doesn't look healthy at all,' shared one fan. Zayn, the boyfriend of model Gigi Hadid, has been keeping a low profile lately, with his anxiety said to be keeping him from performing live.

Taylor Swift gets model Jessica Hart booted from Victoria's Secret Fashion Show: source

Jess & Tay feud
GETS MESSY

Jess has since deleted the controversial snap after being attacked by Taylor's army of fans

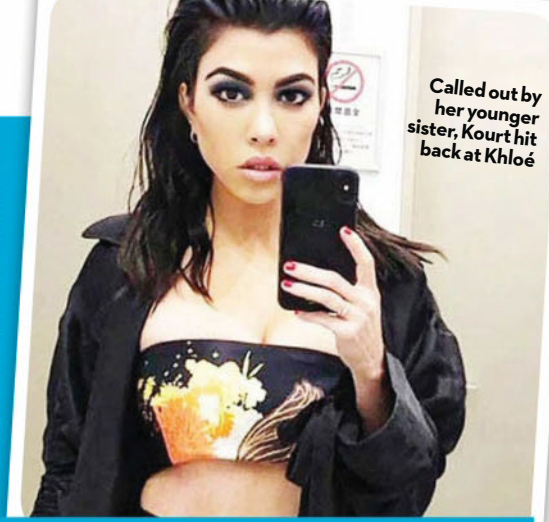

Just when we thought the past was behind them, the claws are out again between Jessica Hart and Taylor Swift. The 31-year-old Aussie model threw shade when she posted a pic of herself wearing a jumper that read: 'Four letter bad word: Taylor Swift'. However, loyal Swifties jumped in to defend the superstar. 'You're bringing up an old feud to stay relevant that's so stupid!!' shared one.

The duo's beef began almost five years ago, after Jess remarked in 2013 that Taylor's Victoria's Secret performance 'didn't fit' with the show. While she later apologised, Tay, 28, reportedly had Jess fired from the runway – and the model hasn't appeared in a VS show since. 'It was taken out of context, but I have certainly learnt my lesson,' Jess said at the time.

THE ACTOR HAS HIS SIGHTS FIRMLY SET ON HIS NEXT LEADING LADY

Since his split from Angelina Jolie in September 2016, Brad Pitt has been one of Hollywood's most eligible bachelors – and all eyes have been on the actor to see who catches his eye next. Now, with the 54-year-old well and truly back out on the A-list circuit, there is one Tinseltown resident who's captured his attention – our very own Margot Robbie. 'He thinks she's the hottest girl in Hollywood right now,' an insider spills.

His admiration for the actress is nothing new, tells another source. 'Brad has had his eyes on Margot for years.' The duo first collaborated in 2015, when the 27-year-old actress performed a cameo in Brad's film *The Big Short*, which he both produced and starred in. 'He jumped at the chance of working with her so he could spend time with the actress he's had a bit of a crush on,' the source spills.

'[Brad] tried to woo her for numerous movie projects,' adds another insider. But the actor's then-wife Angelina Jolie wasn't pleased with his casting of the beauty, and attempted to put a stop to the collab. '[It] was a sore subject with Angie, who blocked them from working together a few times. Now he's single again you can expect Brad to go after Margot with a passion.'

STRAINED SMILES?
Amid rumours of marriage trouble, Margot and Tom put on a united front to attend a pal's wedding Down Under recently.

Of course, with Margot married to Tom Ackerley, it's her acting chops Brad's eager to get his hands on – and it looks as though he's about to get his chance, with the pair tipped to star in upcoming Quentin Tarantino flick *Once Upon a Time In Hollywood*.

The Oscar-winning director recently confirmed that Brad will play a starring role alongside Leonardo DiCaprio in the film, which will be Brad's first major movie since his split from Ange. The story centres around the murder of actress Sharon Tate in the late 1960s – and Margot is reportedly in talks to take on the role of the starlet. 'Nothing's official,' the star shared earlier this year. 'But I would kill to work with [Quentin].'

ANGE'S NASTY DIG!

'It was clear from Angelina's reaction to Margot that she still holds a grudge,' adds the insider

Brad's ex is no fan of his new #workcrush! When Margot approached Ange to say a friendly hello at the Hollywood Film Awards last November, says an insider, the 42-year-old 'curtly replied, "I know who you are" and turned her back on Margot,' leaving the actress looking 'shocked' at the rebuff. Pals say Ange still bears a grudge against her after her estranged hubby Brad took a liking to Margot following her cameo in his flick *The Big Short*.

Although small, Margot's role in *The Big Short* was memorable

The pair were spotted at the same pre-Oscars bash at LA's Chateau Marmont Hotel on March 3

OBSESSED TH HER!

Emma is a UN Women Goodwill Ambassador, while Leo is the one of their Messengers of Peace

Leo & Emma's FLIRTY NIGHT OUT

He's preferred dating models in the past and usually goes for blondes, but could Leonardo have finally found his perfect match in down-to-earth actress Emma Watson? The pair were spotted in a warm embrace outside the CAA pre-Oscars party on March 3, and seemed very friendly as they chatted and shared a laugh outside the bash in West Hollywood. Leo, 43, has said in the past that his ideal women would have 'humility, a sense of humour and not a lot of drama' – a description that fits 27-year-old Emma to a tee. And with both the stars having strong ties to the United Nations and a fierce passion for causes close to their hearts, this could well be a match made in heaven!

The stunner has taken the world by storm in recent years, and was nominated for a 2018 Best Actress Oscar for *I, Tonya*. She also has a reputation for sparking sizzling on-set chemistry, with former co-stars Will Smith, Alexander Skarsgård and Leonardo DiCaprio all gushing about working with the talented actress.

However, Brad's interest has been reignited at an unfortunate time for the bombshell, whose marriage is said to be under pressure. Though Margot insists not much has changed since she and Tom tied the knot in 2016, pals say the star's fast track to fame has taken its toll on their relationship. 'Margot and Tom are having a tough time with all the haters,' says a source of the pair, who produced *I, Tonya* together. 'The critics think he's bitten off more than he can chew in Hollywood.'

Tom needn't be concerned when Brad and Margot get back to business together, of course, as both are consummate professionals. But one thing's for sure: this pairing will light up the screen!

Kim dyed her hair a shocking shade of pink... two years after Kylie sported exactly the same colour

Kanye fears Kim's selfie obsession has 'gotten worse' since Chi's arrival, says a source

'She's unrecognisable!' KIM'S EXTREME MAKEOVER

SHE'S DETERMINED TO STAY RELEVANT – AT ANY COST

All eyes were on Kim Kardashian as she stepped out in Tokyo, Japan, on February 29. With her waist cinched tightly in a blue mini dress and her hair dyed bright pink, the 37-year-old reality queen was on a mission to generate as much buzz as possible.

We've been seeing much more of Kim lately. From public outings to daily social media posts, the curvaceous star appears to be on a quest to stay in the spotlight more than ever – and her fixation is starting to cause some serious friction with her family.

'To say Kim's obsessed would be an understatement,' says an insider. 'Every hour in the day is either spent in hair and make-up or taking selfies and pictures, or having meetings with her beauty consultant about what she can get done next. It just gets more and more extreme.'

Kim, who started the infamous vampire facial trend back in 2013, was at it again after returning from her Tokyo trip – receiving a 'Red Carpet' facial, which is used for 'tightening, firming and lifting to strengthen the skin'. And it's her mission to remain youthful that's causing the most concern.

'She's become consumed about this impossible "perfect" quest, and although her whole family are terrified she's going way too far, there's nothing that can convince Kim to stop,' says an insider. 'It's out of control.'

Kim's efforts haven't gone unnoticed by her 40-year-old hubby. 'Kanye [West] is starting to see how fake she is,' a snitch says. 'He is starting to not recognise her at all anymore.' And her body obsession is putting extra pressure on their already strained marriage. 'It's pushing Kanye away once more,' adds the source. 'He thought she'd calmed down when the new baby came, but it's actually gotten worse.'

Despite taking an extended

CHASING YOUTH

Determined to stay young at any price, Kim winced during a recent procedure by celeb facialist Tracie Martyn.

PLEASE EXPLAIN!

'No-one can talk any sense into her,' reveals an insider

hiatus after the births of North, four, and Saint, two, Kim has been out more than ever since welcoming Chicago via surrogate on January 15. 'Kanye and Kim's sisters think she is acting completely different with Chicago than she did with her [other] kids.'

But a lot has changed in the past few years. With a $226 million fortune, Kim has always been the most successful of all the Kardashian siblings. However, her biggest fears were realised last month when she was eclipsed by her 20-year-old sister Kylie Jenner, whose Lip Kit cosmetics empire is now worth almost half a billion dollars. 'When *Keeping Up with the Kardashians* first started, all eyes were on Kim, and Kylie was a lesser presence because she was so young,' another insider says. 'Now, Kim is feeling the competition, and it bothers her.'

But it's just not business success that's on her mind. If she can't be the most successful Kardashian, Kim is determined to be the skinniest! Along with eating only 40g of carbs a day, the star recently revealed she's been hitting the gym at 5.30am every morning to get a workout in 'before my kids get up'.

It's little wonder that Kim's been feeling miserable. 'You have to remember... to make time for yourself,' she once said. 'If you feel good, you will be happy in your career and family life, and everyone is happy!' Let's hope she takes her own advice.

ANYTHING KYLIE CAN DO...

Kim denies she's jealous of her little sister. 'I'm her biggest cheerleader,' she insists. But since Kylie welcomed her daughter Stormi with boyfriend Travis Scott last month, friends have noticed an interesting trend – anything Kylie does, Kim believes she can do better!

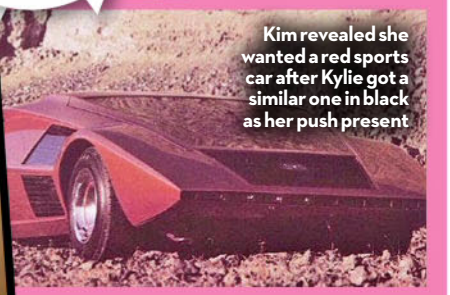

Kylie and Kim have both been posting eerily similar photos on social media. A coincidence or something more?

BAD ROMANCE

'The whole thing is a shame,' Chris Heisser's dad says of his son, who's dating Heather. 'I just don't want to see him be tortured further.'

Heather's boyfriend's father:

'WHEN SHE DRINKS, SHE JUST UNLOADS'

AFTER A VIOLENT MELTDOWN, A FAMILY INSIDER REVEALS SHOCKING DETAILS OF THE ACTRESS' LATEST SPIRAL

Heather Locklear's rage scared him. After Peter Heisser learnt that the former *Melrose Place* star was arrested on February 25 for drunkenly attacking her boyfriend – his son Chris – the 81-year-old phoned him. 'I called to find out if he's OK,' Peter shared. 'I don't want him injured.' But Chris nearly was when Heather lunged at him in her LA home. 'Heather was trying to get a hold of his nose and bite at it,' Peter alleges. 'Chris hurt his leg jumping around trying to get away. Crazy stuff, isn't it?'

Crazy, yes – but not surprising, according to Peter. He claims Heather, 56 - who was charged with one count of domestic battery and three counts of battery on a police officer for kicking the cops who showed up – has a history of getting wasted and lashing out. (She was also arrested for a DUI in 2008, although the charges were later dismissed.)

'This isn't the first time. When she drinks a certain amount, she just unloads,' he says of the actress. 'She has a very quick temper, and I don't know that she realises what she's doing in that situation.'

The former high school sweethearts – they were elected prom king and queen in the '70s! – rekindled their romance after bumping into each other at a store last year. Chris, 56, is a divorced father of four who served two years in prison after a 2011 conviction for fraud and theft, while Heather, who's struggled with anxiety and depression, was reportedly fresh out of rehab – and problems quickly arose. Heather especially didn't love Chris' busy schedule, working six days a week as a contractor. 'She doesn't want to be alone,' says Peter. 'She's kind of lost.'

BATTLING DEMONS

Peter says the actress needs help. 'Heather has been fighting her drinking problem for a long time, and it's been an issue,' he says. 'She's not a happy person in some cases.'

So Chris tried to get his girlfriend help. 'He took Heather a couple times to [rehab], and she stays for a certain period of time,' says Peter. 'But she gets anxious and wants to come home. It's difficult. It hasn't changed, and it's probably not going to.' (Though Chris was arrested for a DUI the same night Heather was taken into custody, Peter insists his son does not have a drinking problem.)

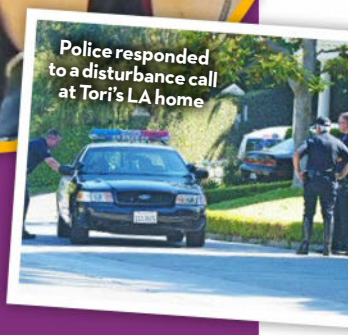

Peter hopes Chris comes to his senses and ends things with Heather, who he remembers as being a 'young and fun and very nice' teenager.

'She seems to be different at this stage in her life. I told [Chris] to quit trying [to help her],' he adds. 'I would hope that this [attack] would be enlightening, but I can't live his life for him.'

TORI'S SHOCK MENTAL BREAKDOWN

THE ACTRESS' BIZARRE BEHAVIOUR CAUSES CONCERN

Tori Spelling is 'in a tough place' after LAPD officers were called to her home on March 1 due to a 'domestic incident'. The 44-year-old, who was described as having a 'possible mental illness' in dispatch audio, was said to be having a mental breakdown and was behaving erratically before emergency services arrived. The former *Beverly Hills, 90210* star had called police herself the night before, after mistakenly thinking her husband Dean McDermott was an intruder trying to break in. 'The last year has been really tough on Tori. She has a ton of pressure and stress, with the kids, work and her marriage,' an insider reveals. '[She] internalises a lot of her anxiety and she knows it's not healthy for her. Of course, she's going to get to a breaking point eventually.'

Putting the incident behind them, Tori and Dean threw a party for their son Beau just two days later. 'Happy 1st Birthday!' she shared

ANGELINA JOLIE

After former secretary Ana Charlotiaux slapped them with a wrongful dismissal lawsuit in 2011, more of Ange and Brad Pitt's staff started spilling the beans! 'They have no control over their kids,' one nanny claims. 'When Ange's kids get cuts and scrapes, she saves their discarded bandages in a large jar,' adds another. Ew!

OOD STAFFERS L ALL!

LADY GAGA

The singer keeps her staff (very!) close, according to former PA Jennifer O'Neill. 'I was by her side virtually 24 hours a day, seven days a week,' says Jennifer, who reached an out-of-court settlement with Gaga in 2013, after alleging she owed her unpaid overtime. 'That includes sleeping in the same bed with her,' Jennifer adds, 'Because she did not sleep alone.'

MILA KUNIS

'They are never allowed to be in the house alone with [hubby] Ashton [Kutcher],' an insider shockingly claims to *Star* magazine of the actress' rules for female staff members.

TARYN MANNING

In 2012, Taryn's assistant Holly Hartman (below) claimed she choked her and 'slammed her head against the floor and wall'. Holly pressed charges, which were later dropped.

CHANNING TATUM

'Channing owns every Ricky Martin CD and has put it all in his iPod,' an assistant spills. 'Ricky's music gives [him] a little energy boost and never fails to put him in a good mood.'

JUSTIN BIEBER

'[Justin] has been known to get it on with a few of the staff who work for him around the house,' claims a former assistant. 'He's been busted with a maid [before].'

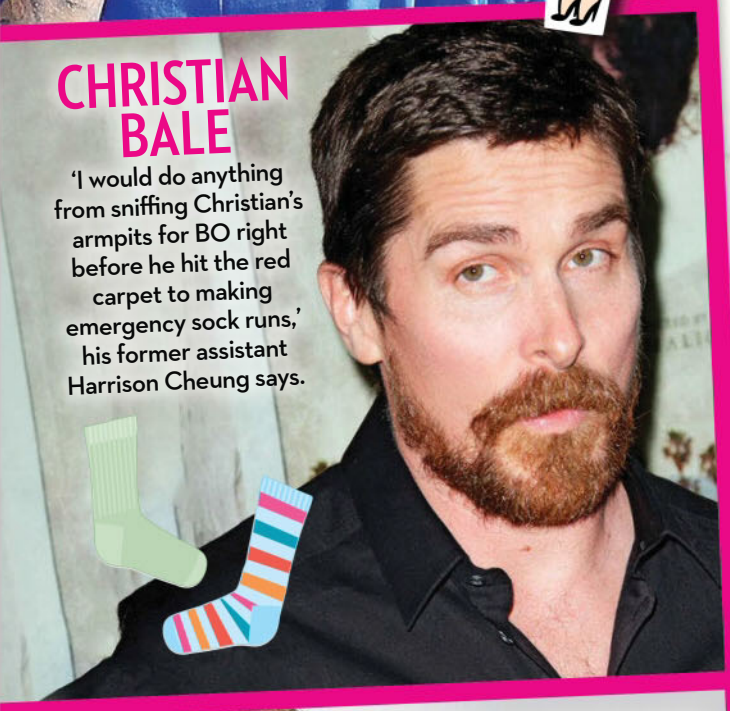

KIM KARDASHIAN

Kim was annoyed when long-time PA Stephanie Shepherd told her sister Kourt that she felt 'unfulfilled' in her job. 'I said, "I love you a lot, but I just think that you've outgrown your position here,"' the reality star says of letting Steph go.

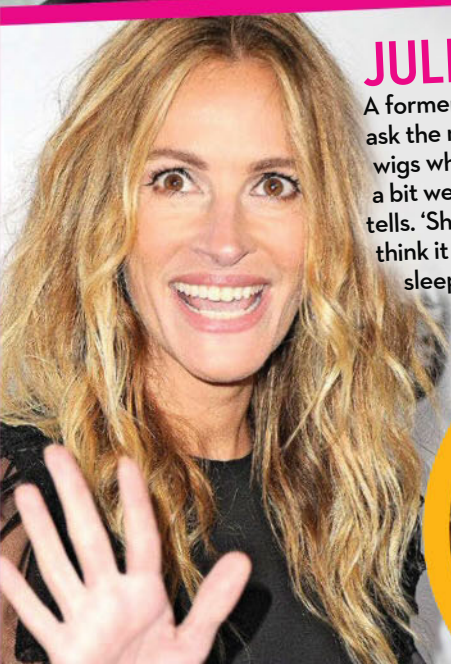

CHRISTIAN BALE

'I would do anything from sniffing Christian's armpits for BO right before he hit the red carpet to making emergency sock runs,' his former assistant Harrison Cheung says.

JULIA ROBERTS

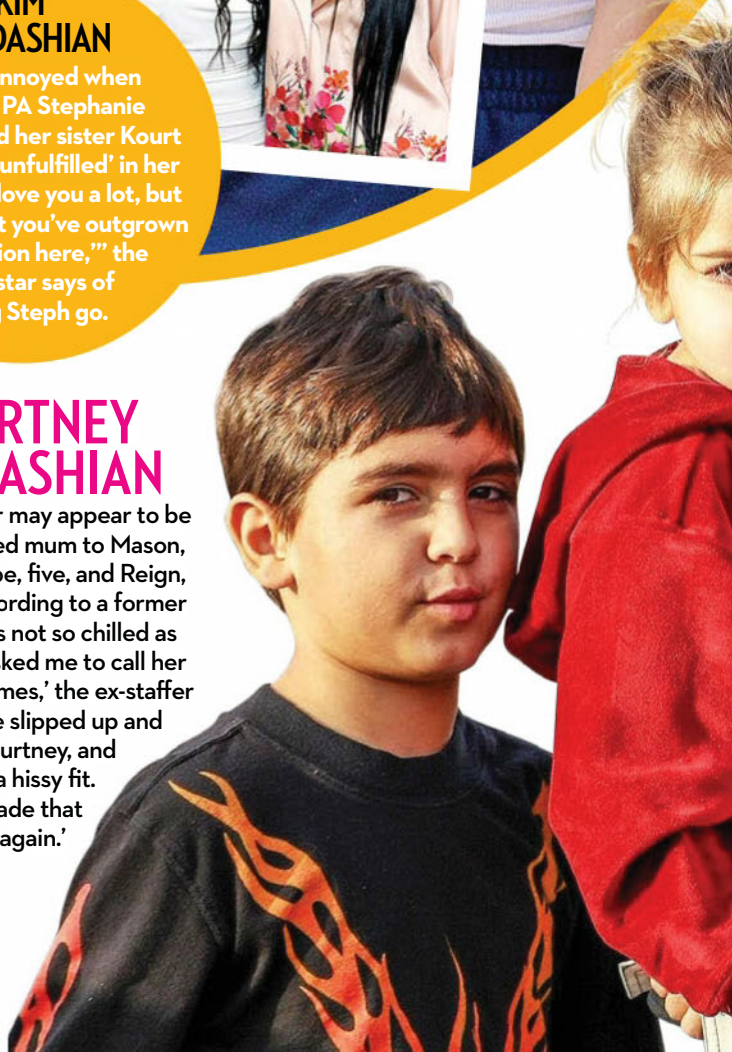

A former staffer says Julia would ask the nannies to wear long red wigs while she was away. 'It was a bit weird, but I get it,' the aide tells. 'She hoped [her kids] would think it was her putting them to sleep instead of the sitter.'

KOURTNEY KARDASHIAN

The reality star may appear to be a pretty relaxed mum to Mason, eight, Penelope, five, and Reign, three, but according to a former nanny, Kourt's not so chilled as a boss! 'She asked me to call her madam at all times,' the ex-staffer reveals. 'I once slipped up and called her Kourtney, and she threw a hissy fit. I never made that mistake again.'

HOW MUCH MOOLAH?!

Do you think these humble staffers are being compensated enough for the long hours and outrageous demands of their celeb bosses?

JENNIFER ANISTON

A stash of ice cubes at the ready is essential for anyone who wants to be Jen's personal assistant! The former *Friends* star hates sweating so much that sources claim her assistants have to personally fan her or hold ice cubes to the actress' face when she's on set filming.

SELENA GOMEZ

'[Selena] is such a slob,' tells a former aide to the singer. 'I've never thought someone could make such a mess out of a hotel room... make-up stains all over, bedding strewn across the place, drinks spilled and fast food wrappers everywhere.'

MARIAH CAREY

Mimi does not wash her own hair! 'She has an assistant do it at home while she's in the shower,' says an insider. 'And she won't even brush it herself – ever!' Another staffer says she struggled to get Mariah's Apple TV working in a UK hotel. 'If she can't have the Apple TV playing while she's sleeping, then she can't sleep,' tells the aide. 'If she can't sleep, she can't perform.'

GUESS WHO?!

HOT AND HEAVY

This personal assistant describes her famous former boss as an 'amazing' lover, claiming they got steamy while working together. 'We couldn't keep our hands off each other,' says the staffer. Oh, and did we mention famous former boss was (and still is) married? 'He is a very generous lover,' says the PA. Scandalous!

IN ANOTHER WORLD

'The psycho who fired me had a, like, 80-page booklet of instructions on how to eat, behave, live, avoid toxins, etc,' this PA alleges of her former blond-haired boss. 'It included advice such as, "avoid electromagnetic fields"... [and] to try to walk barefoot on the earth for at least 10 minutes a day.'

PET BARN

This famous family is notorious for spontaneously buying fluffy creatures and then ditching them when the novelty wears off. 'Every time anyone in the family gets a pet, the assistant has to take care of them,' says the snitch. 'Walking dogs, changing kitty litter, potty training... the job falls on the assistant to do all the dirty work.'

BEYONCÉ

Bey and hubby Jay-Z are said to have employed 12 nannies for six-year-old Blue Ivy and twins Sir and Rumi, nine months. 'A security motorcade drops [Blue] off and picks her up from school,' a source adds. 'Other celebrity kids get dropped off by one driver, not an entire staff.'

MADONNA

It's a lengthy process to land a job for the singer! 'I had to sign a 76-page agreement, I had to get psychological testing, I had to get criminal background checks,' a former night nanny alleges. 'Only after five interviews did I find out [who I was working for].' Madge also has a 'food intake' assistant. 'I call her the food police,' the singer herself says. '"Are you eating? Did you drink enough water?" I'm like, bitch, get off my pole!'

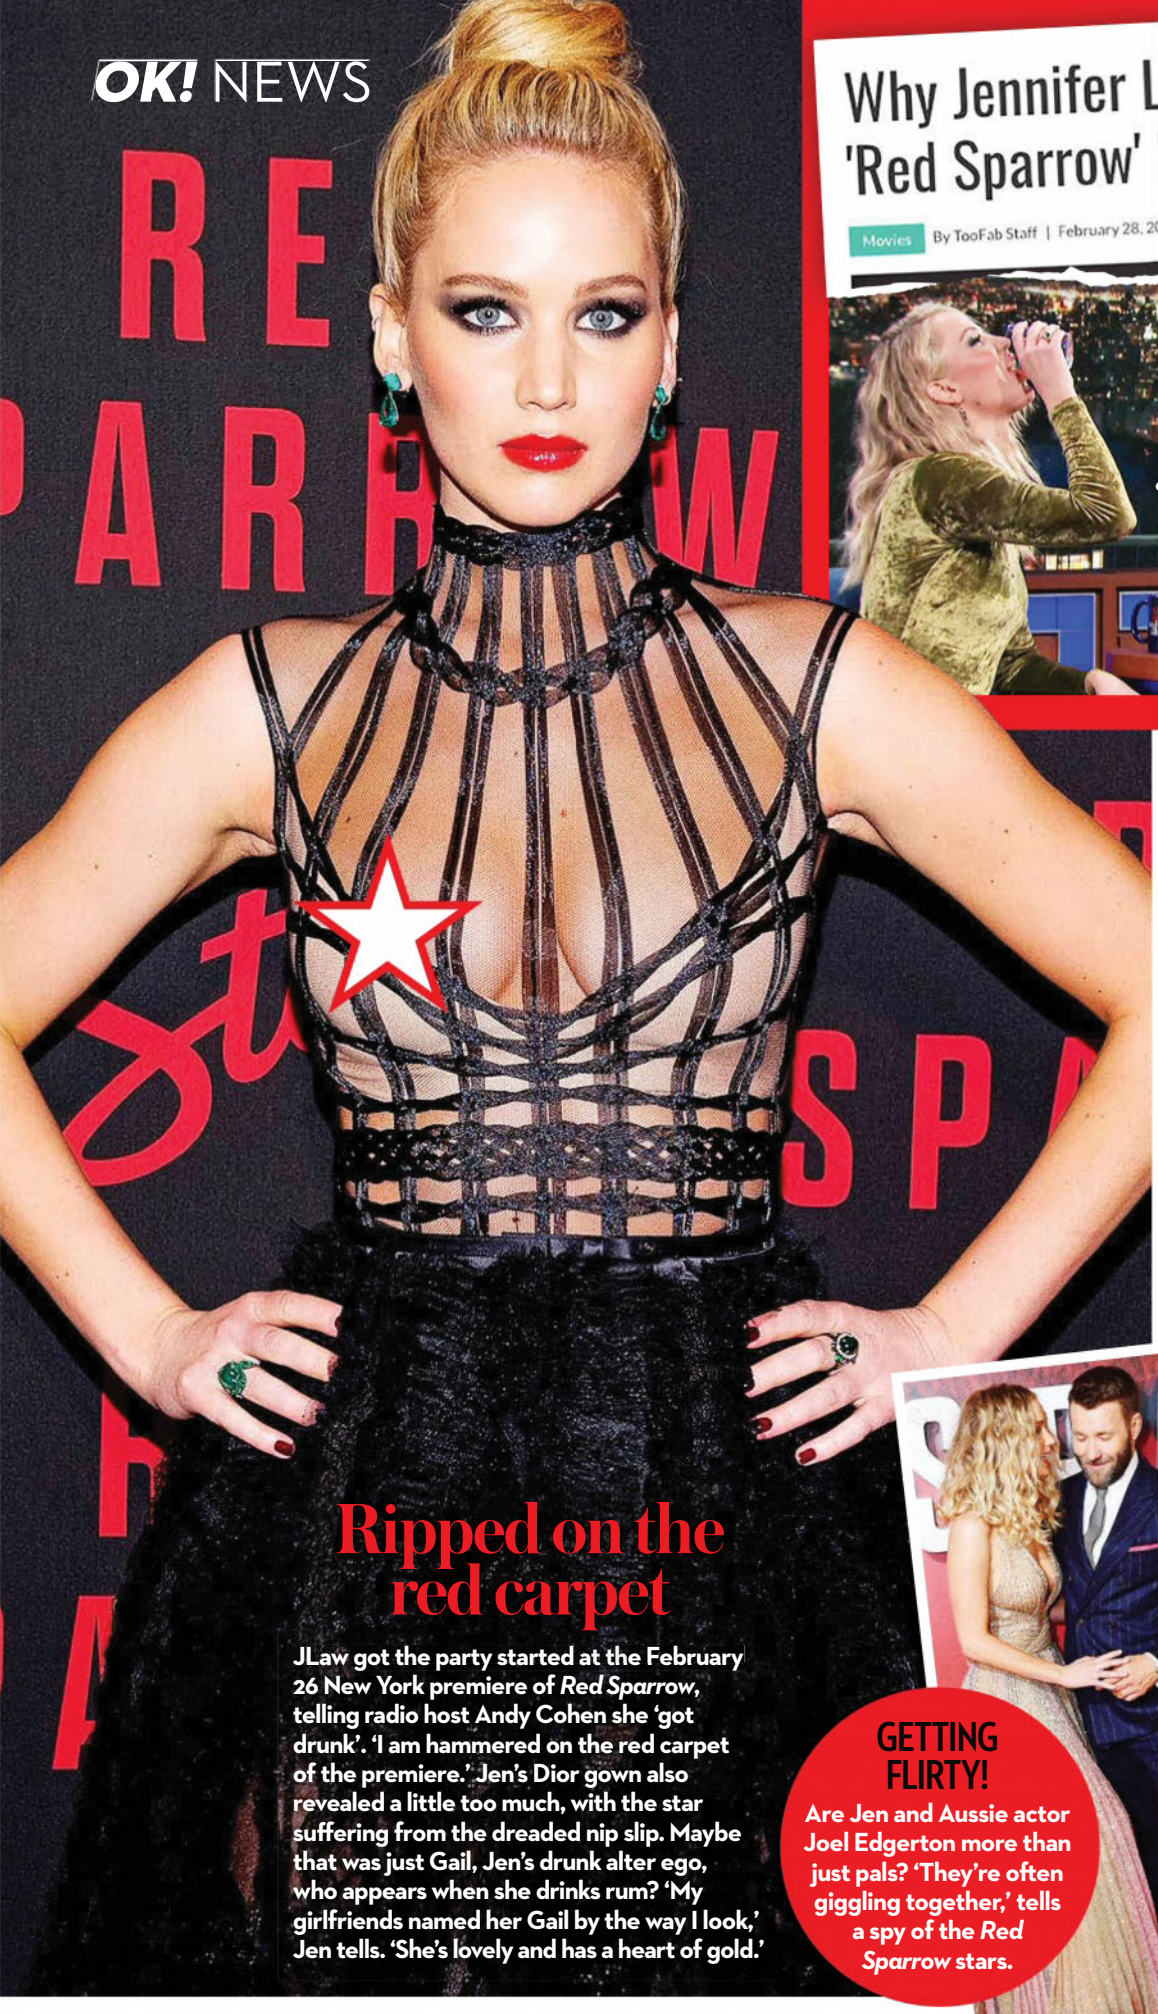

NAOMI CAMPBELL

The model reportedly made her assistant remove the mini-bar in her hotel room whenever they checked in. 'Then she'd go into my room to booze,' laments the staffer, who adds that she also had to keep the room stocked with luxury candles. 'God forbid they weren't Diptyque.'

CHRISTINA AGUILERA

The singer apparently has a tendency to pull out her hair extensions in public. 'She'll throw pieces on the floor in restaurants, restrooms, cars, wherever,' claims a staffer. But her assistants can't just throw them out! They have to collect them in case she ever wants to use them again.

Why Jennifer Lawrence Looked Like 'A 'Red Sparrow' Premiere

Movies | By TooFab Staff | February 28, 2018 12:00 PM

'What if I just barfed?' Jen joked while downing a shot on *The Late Show with Stephen Colbert*

Candid J

'I'M A

ADMITTING SHE DRINKS 'A LOT', IS JEN IN TROUBLE?

Ripped on the red carpet

JLaw got the party started at the February 26 New York premiere of *Red Sparrow*, telling radio host Andy Cohen she 'got drunk'. 'I am hammered on the red carpet of the premiere.' Jen's Dior gown also revealed a little too much, with the star suffering from the dreaded nip slip. Maybe that was just Gail, Jen's drunk alter ego, who appears when she drinks rum? 'My girlfriends named her Gail by the way I look,' Jen tells. 'She's lovely and has a heart of gold.'

GETTING FLIRTY!

Are Jen and Aussie actor Joel Edgerton more than just pals? 'They're often giggling together,' tells a spy of the *Red Sparrow* stars.

Goth Dream on Crack' at

'I'm a goth dream on crack'

JLaw had an interesting take on her look for the *Red Sparrow* premiere. 'I look like I've had electroshock therapy. In my head I'm like, "I'm a goth dream" and then I looked at the photos and I'm like, "I'm a goth dream on crack." My eyes were like, "I'm not drunk!"' But she was. Hours prior, Jen was doing rum shots with TV host Stephen Colbert, after Andy Cohen had thrown her a boozy dinner with *Real Housewives of New York City* stars Luann de Lesseps and Bethenny Frankel.

'I was, like, "Uh-oh, I got too drunk with the Housewives,"' JLaw says of her pre-boozing

'When I'm on a press tour, I drink a lot,' Jen admits

'I wanted to forge my own path'

'I'm self-educated'

Jen confessed during a US *60 Minutes* interview that she 'dropped out of middle school' aged 14 to pursue acting. 'I struggled through school. I never felt very smart,' she said, which led to her singular focus on her chosen path. 'Even friends, for many years, were not as important to me as my career.'

JLaw goes 0 to 100 A PSYCHO!'

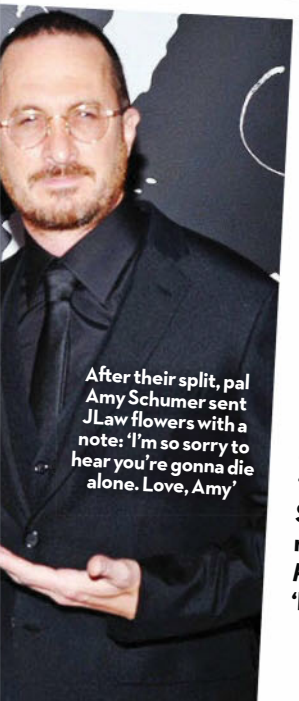

Speaking her mind has become the Jennifer Lawrence trademark we most love her for. But recently the 27-year-old actress has taken things to the next level. From a disturbing lie detector test with frightening results to being boozed-up on the red carpet, JLaw's had a wild few weeks. She even revealed she's still in love with her ex-boyfriend, director Darren Aronofsky, before stopping herself from sharing too much. Yikes! It's never a dull moment in Jen's world and when she starts talking, you never know what's going to come out next. Here's everything that went down...

'I didn't know what it was,' Jen says of the *Twilight* saga

Twilight zone

The Oscar winner auditioned for the role of Bella Swan opposite RPatz in *Twilight*, but didn't know much about it. 'When you're a run-of-the-mill actor you're auditioning for all sorts of things. You get, like, five pages and they're like, "Act, monkey!"'

After their split, pal Amy Schumer sent JLaw flowers with a note: 'I'm so sorry to hear you're gonna die alone. Love, Amy'

'I'm still in love with Darren'

Jen broke up with Darren Aronofsky, 49, last November after dating for more than a year, but she still has feelings for the *Mother!* director. 'I still love him very much,' she admits. 'I'm oversharing!' She also shared how their romance got started. 'I was like, he's hot,' JLaw remembers of their first meeting. 'I was holding my dog and I shut the door and when the door shut I went, "Pippi, that's called sexual tension."' She also finally addressed ongoing rumours of an affair with her *Passengers* co-star, Chris Pratt. 'I never had an affair with [him].'

'I don't get tempted to do it,' Jen tried to clarify

'I'd like to push people'

Jen disturbed many when she admitted she would be willing to push a person into the path of an oncoming train to save the lives of others. But she didn't stop there! 'Every time I'm in the subway I think about pushing people on the tracks,' she admits. 'I don't do it but it crosses my mind. I'm so happy it was confirmed by a polygraph that I'm a psychopath.'

Jen: THE T ABOUT MY

AFTER HER SHOCKING SPLIT FROM JU NEVER-BEFORE-HEARD DETAILS O

ALWAYS ON DIFFERENT PAGES

'Jen's tightly wound and craves order and routine,' notes a pal. 'Justin is free-spirited.' Jen feels her ex never even tried to find common ground.

OVER THE DRAMA

'Jen and Justin should have broken up a year ago,' a source says of the long-troubled twosome. Now, 'despite being upset that things didn't work out, Jen feels relieved that she can start over again'.

For nearly two weeks after confirming his split from Jennifer Aniston, Justin Theroux was silent on social media. When he finally made his return to Instagram on February 25, he raised eyebrows with his post – by hashtagging a gorgeous young friend of Jen's, Selena Gomez.

Given the many reports over the years suggesting Justin, 46, and Selena, 25, were often flirty, it seemed bizarrely thoughtless. However, it turns out Jen, 49, had been dealing with far worse behaviour from Justin during their two-year marriage. 'Jen is saying that Justin truly put her through hell,' a friend exclusively tells *OK!*. Despite her insistence in interviews during the relationship that everything was wonderful, 'the truth, she says, is that it was never a real marriage to start with. The relationship was dysfunctional from the get-go.'

The low-key birthday party Jen's friends threw to lift her spirits was hardly the first time they'd needed to comfort her since she tied the knot with Justin in August 2015. 'There'd be many times when Jen would drive to Courteney Cox's house in tears because Justin was "being a nightmare,"' a source tells *OK!*. 'Courteney

has always been there for her BFF and advised her on how to deal with Justin's behaviour, but nothing Jen did seemed to work.'

The way Jen sees it, Justin simply refused to change. She often felt jealous about how cosy he got with other women, but his behaviour continued even after she told him how she felt. Though his relationships with actresses like Naomi Watts, 49, Sofia Boutella, 35, and his *The Leftovers* co-stars Margaret Qualley, 23, Liv Tyler, 40, and Carrie Coon, 37, were platonic, 'Justin is a classic ladies' man and flirt, and it always drove Jen up the wall,' says the friend. 'One of the worst moments for Jen was when she started seeing Justin flirt with her friends,' adds an insider. 'Women are very drawn to Justin. All her celeb friends were charmed by him at one point or another.'

> *Jen says Justin truly put her through hell*

Selena certainly wasn't immune. Although she's raved about her friendship with Jen, Selena found herself 'nervous and blushing' after an encounter with Justin at a Golden Globes afterparty a couple of years ago, says the insider. 'He was giving his undivided attention to Selena, complimenting her music and telling her she looked great. Justin has an intense way of looking at you that makes you feel special and a little weak in the knees. It was awkward for everyone, except Justin, and really hurt Jen.'

But Justin wasn't exactly understanding. 'When they argued about Jen's trust issues,' notes the source, 'Justin rapidly lost patience, which resulted in her feeling even worse.'

Most of the time, Justin wasn't even around to argue with. 'He hated her boring life and friends in LA,' says a second insider. 'They shared harsh words about those feelings over the years. He just wasn't into her idea of a fun night, which usually consisted of a barbecue or taco bar with her celebrity pals, followed by game night. It was all a little tame for his taste. 'Justin's the kind of guy who'll strip off his shirt at a party or push back a crowd to create a mosh pit,' notes the friend.

Now, Jen's just trying to put it all behind her as quickly as possible. 'Jen feels happy to be rid of Justin and wants some time and distance from him,' says the pal. 'She's still hurting.'

SELENA'S ALWAYS THERE...

IS IT A CASE OF WRONG PLACE, WRONG TIME?

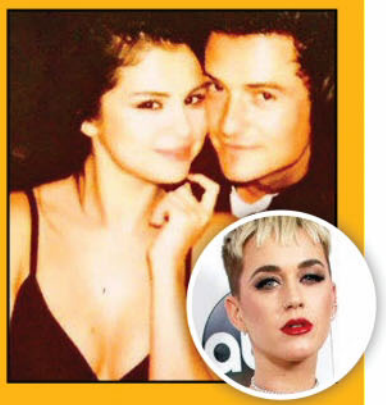

THE ANGE SPLIT

Angelina Jolie reportedly lost it after Selena posted a pic of herself getting close to the actress' then-hubby Brad Pitt at a Golden Globes afterparty. 'Angie blew a gasket when she saw Selena's Instagram, and heard through friends about how Brad and Selena flirted so shamelessly,' said an insider at the time.

THE KATY SPLIT

Katy Perry was forced to defend beau Orlando Bloom after incriminating pictures of him and Selena getting cosy at a Las Vegas nightclub went viral in May 2016, while she was dating the actor. Katy and Orlando announced they were 'taking respectful, loving space' from each other less than a year later.

THE BELLA SPLIT

Bella Hadid admitted she was 'hurt' when ex-beau The Weeknd moved on with Selena shortly after their break-up. 'It'll be hard for a while. Love hurts, but you have to pull through,' Bella shared at the time. The singer had met Sel the previous year at a Victoria's Secret show, while dating Bella.

THE JEN SPLIT

Justin's first post-split Insty raised eyebrows after he mentioned Selena. 'Yeah that's right Selena I did it to you again but if you saw these guys you'd do whatever you could too also I know you're chill like that,' he hashtagged the post about a Texas dog shelter.

the headlines – with scaremongering overshadowing the truth, with this idea that everyone from Afghanistan was the enemy. So, to be able to tell their story, which has been long ignored, I think made us all very proud.

And your wife Elsa Pataky stars in the film with you! How did that come about?
We knew what we were doing – it wasn't about working together, it was about getting some enforced alone time! Three little kids under six, it's not easy. We spend very little together time as a twosome, and parents need that. We need that space, if only for the briefest of moments, which I know sounds bad, but hey, it's the truth. We did it to get a break!

You spend so much time working away from home – does it ever get you down?
I hate being away from my family. This is the problem living halfway around the world – it still takes a full day to get back there. You're not jumping on a red-eye flight… I'll never get used to leaving them behind – it never gets easier. My wife and kids, they're who I want to spend my time with and I would, given the choice, but I have to work. I have a window right now that's going to close and I have to provide for my family as best I can. Travel is a big part of that – it's the harsh reality.

The travel must be hard on you and Elsa…
I owe all this to my wife. Without her, we could not have this life together – she's the anchor. I would never [have] had this career without her.

You've said before that you were excited to wrap up your Thor contract…
Yeah, but that was when I still had a couple of films left to do. I don't know, maybe it's the 'grass is greener' effect. Back then, I felt a little hemmed in, not necessarily having the freedom to move about as much as I want. Which for most people, you'd call a job – get over yourself! Particularly after shooting the last *Avengers* movie, and the last *Thor*. I was re-energised. I got this zap of enthusiasm and excitement and I'm kinda thinking, 'OK, what's next?'

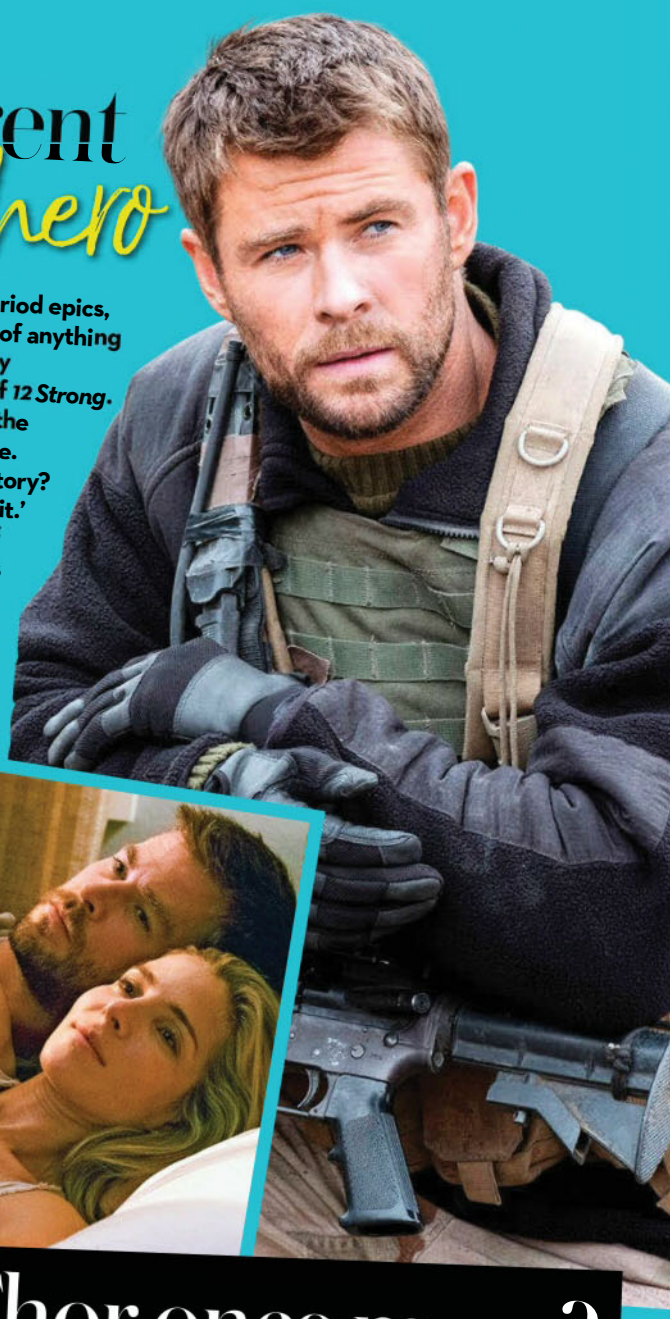

Did you keep your hammer?
I do have the hammer at home…They're a little heavy for my kids to pick up, but one of my boys in particular is obsessed with Thor and the whole world. The other two are like, 'Yeah, Dad's Thor. Whatever.'

As for Elsa taking on the role of his on-screen wife, Chris admits it was 'certainly one of the easiest working relationships' he's encountered. 'We've had a lot of preparation,' he jokes.

'If I had the opportunity to do it again, I think I'd love to,' Chris reveals of potentially renewing his Marvel contract to continue playing Thor in the film franchise. KRISTEN BELL

'BEING A MUM IS HARD AS F*!#'

THE HILARIOUS STAR SHARES THE TRUTH ABOUT MOTHERHOOD

Kristen Bell is one hell of a woman! Injecting her talent into films, television roles, video games, web series, music videos and even theatre for the past two decades has made her one of Hollywood's most lovable leading ladies... and we just can't get enough of the 37-year-old.

But the versatile actress insists that none of the moves she's made have been strategic. 'I have no big plans for what I'm going to do with my career,' she explains. 'If people stop watching the things I'm in, I won't have a career.' But people *are* watching. From the role in cult TV show *Veronica Mars* that shot her to stardom, to the 'forking' hilarious Netflix

'Me last year at the #womensmarch. Holding up my fellow women and reminding them they have rights and agency over their bodies,' Kristen captioned this snap with daughters Lincoln and Delta

series *The Good Place*, Kristen's latest offering sees the star focus on something with which she's had plenty of experience: motherhood. And of course, she's dishing it up with bucket loads of her trademark humour...

MUM'S THE WORD

'As hard as [childbirth] was, it's a very special experience,' mum-of-two Kristen gushes. But even when she's getting all mushy, the lady can't help but deliver a one-liner! 'It's the most beautiful thing on the planet to hold that baby in your arms and look into its eyes and know that it will one day grow up to resent you.'

It's that oh-so relatable edge that's made her the perfect host for new web series *Momsplaining* on Ellen DeGeneres' video site, Ellentube. 'Parenting is hard AF,' Kristen willingly admits. 'But I do know mums can learn from each other. And I want to share what I know.'

> THERAPY IS NOT SOMETHING TO BE EMBARRASSED ABOUT

The mama to two daughters (Lincoln, four, and Delta, three) covers the big stuff, like 'tips on how to pretend you're asleep so your spouse can get up to feed the babies'. But while she's all about the witty take, Kristen is the first to admit that mum life isn't glamorous – not even for celebs. And so her movie with fellow Hollywood mama Mila Kunis, *Bad Moms*, was born. 'It's nice to sort of see the moments where you're not in a dress and you have avocado on every part of your shirt and you smell like urine,' she shrugs.

NO SHAME

One thing the actress will not put up with is being shamed – not by other mothers, social media trolls or even her own kids. 'If my child is acting a fool in the grocery store, the embarrassment is on her,' Kristen says. And don't think for a second about calling her out for nursing in public. 'Breastfeed your

'A snuggle party can fix anything,' says Kristen. Aww!

SHE PROPOSED!

Kristen popped the question to Dax on Twitter and they wed in 2013, after same-sex marriage was legalised in the US. 'We got married in a tiny room in the Beverly Hills courthouse, and it was still one of the best days of my life,' she says.

7 THINGS YOU DIDN'T KNOW ABOUT Kristen

1 SHE'S SLOTH CRAZY!

'I've been obsessed with sloths for as long as I can remember,' she says. 'They must be my spirit animal or something.'

2 SHE... HAD WORMS

'I did have anal worms two weeks ago – I swear to God,' Kristen recently revealed on *The Joel McHale Show with Joel McHale*. 'Pinworms. My kids had them.'

3 HER CAFÉ ORDER IS ODD

'I like coffee, but it gives me a slump after 30 minutes,' she tells. Instead, she orders green tea with a splash of lemonade!

4 HER FAM CALL HER ANNIE

'[As a kid] I really wanted to be called Matthew, because I had a cousin born Matthew... But then, finally my parents said, "We're not going to call you Matthew." So I switched to Annie, because the movie was popular.'

5 SHE HAS A LAZY EYE

Kristen inherited the eye condition strabismus from her mother, giving her a lazy right eye, which she says worsens when she's tired. 'Sometimes I am 100 per cent cross-eyed,' she reveals.

6 SHE LOVES A BARGAIN

Despite her fortune, Kristen shops almost exclusively with coupons – Bed Bath & Beyond is one of her fave stores!

7 THE GIRL CAN SING!

Kristen was a highly requested wedding singer in high school, specialising in Harry Connick Jr tunes. 'I didn't know how great a singer she was,' says her *Frozen* co-star, Idina Menzel. And, yes, she sang all her own tunes as the voice of Anna in the Disney flick!

baby with pride,' she says of her stance. 'If someone sees an inch of your boob or areola and they can't control their disgust or shock or sexual desire, that's on them.'

COUPLE GOALS

Kristen's as strong and independent as women get, but she's no one-man band, crediting her hubby Dax Shepard for being her rock.

'He doesn't really give out pointers or advice so much as he gives out unending support,' she says. But it wasn't exactly love at first sight! 'When I met her and her friends, I was suspicious of their unbridled happiness,' tells 43-year-old Dax. 'I thought, "Something stinks here; they're in a cult."'

Fast-forward 11 years and the duo have had their ups and downs – but they're dedicated to making it work, and have been open about turning to therapy to get the best from their marriage. 'There were hurdles, things she didn't trust about me, things I didn't trust about her,' explains Dax. 'I just kept going back to: "This person has the thing I want, and I have to figure out how we can exist peacefully." So we started [seeing a therapist together] right away.' Adds Kristen, 'Therapy is not something to be embarrassed about.'

WHAT'S NEXT?

With *Momsplaining* and *The Good Place* on the go, and *Frozen 2* in the works for 2019, one thing the future does *not* hold for Kristen is more children! 'Absolutely not, no way. We're not insane!' she laughs. 'We had a scare that I was pregnant when our youngest was 11 weeks – and Dax had a vasectomy five days later.'

But Kristen's too busy appreciating the now to worry about what's coming next. 'I'm just really forkin' grateful. I really am,' she says. 'I don't know why people let me do the things I do. I'm just so happy to be here.'

Who wore it BETTER?

They stepped out in style, but one star came out on top!

KELTIE KNIGHT *VS* KIERNAN SHIPKA

Kiernan gets the prize for her attention to detail, as she picks up on the crystals in this Erdem frock and carries it through to her stilettos.

GIGI HADID *VS* SERENA WIILIAMS

Serena's choice of heels is great, but her super-sleek ponytail and dark lip are too much. Gigi's ear-tuck makes this Versace mini look effortless.

ANNABELLE WALLIS *VS* KATY PERRY

Katy always goes one step too far. Her pink eyes make this look too clown-like. Annabelle has the right idea by cinching in the waist of this Stella McCartney creation.

SHE DID!

RITA ORA *VS* AMANDA BRUGEL

Amanda does it well, but we prefer the colour of Rita's Temperley London gown, as it complements her olive complexion. Extra points for the tousled bun and simple black heels.

SHE DID!

KRISTIN CAVALLARI *VS* RIHANNA

Rihanna's curves suit this Stella McCartney two-piece so well! The high-cut waist is everything, and we love RiRi's crystal choker and rings.

SHE DID!

DAKOTA JOHNSON *VS* AMANDA ANKA

Even with a plunging neckline Dakota makes this Valentino gown angelic with her soft updo and make-up. Sorry, Amanda, there's no comparison.

ALL NATURAL

For this super-fesh look, make-up artist Linda Jefferyes kept Victoria's skin natural, only contouring lightly with bronzer and highlighting with concealer. 'To accentuate and give the illusion of pinker lips, I dabbed on a red liquid lip gloss a couple of times before buffing in,' she says. 'For eyes, I kept it neutral with a copper shadow to bring out the blue.'

TIP

'This season is all about different hair finishes,' says Terri. This look combines sheen and texture for a new spin on the classic ponytail.

GO HEAVY

The trick to this eye is to layer. 'Start with a bright blue crayon to line around the eye, then use a brush to buff in metallic grey shadow over the top. This adds light and dimension. Drag it out towards your temple to accentuate your eyes,' says Linda. To style this Insta-worthy 'do, 'Pull your hair back tightly and secure in a low pony off the nape of your neck,' says Terri. 'Spritz some texture spray on your lengths and brush through.' For more body and texture, curl your strands first or tease with a comb.

GIGI HADID

HOW SHE GOT THAT BODY!

The model packs plenty of punch

Gigi Hadid definitely has an enviable bod, but her approach to fitness is surprisingly fuss-free. 'My biggest thing is just eat healthy and work out,' says the 22-year-old stunner. But that doesn't mean there isn't room for a few cheeky treats!

WATCH YOUR DIET

Gigi's approach to eating involves making healthy choices most of the time, while also allowing herself occasional indulgences. 'Eat clean to stay fit,' she advises, 'and then have a cheat day to stay sane.'

The model starts her day with a breakfast of coffee, scrambled eggs and toast, and sometimes she'll add baked beans to her plate. Burgers are her weakness so for lunch, while Gigi will often go healthy with a fresh rocket salad, she'll give in to temptation and enjoy the occasional cheeseburger. Sushi is a go-to dinner option for Gigi, while between meals, she keeps it light with chips and guacamole, carrots and hummus, or acai bowls.

EXERCISE REGULARLY

Let's get it on! While Gigi enjoys outdoor activities like bike riding, boxing is her workout of choice. 'It's all about how hard you work and how much you put in,' says Rob Piela, her trainer in New York City. 'Gigi is a hard worker.'

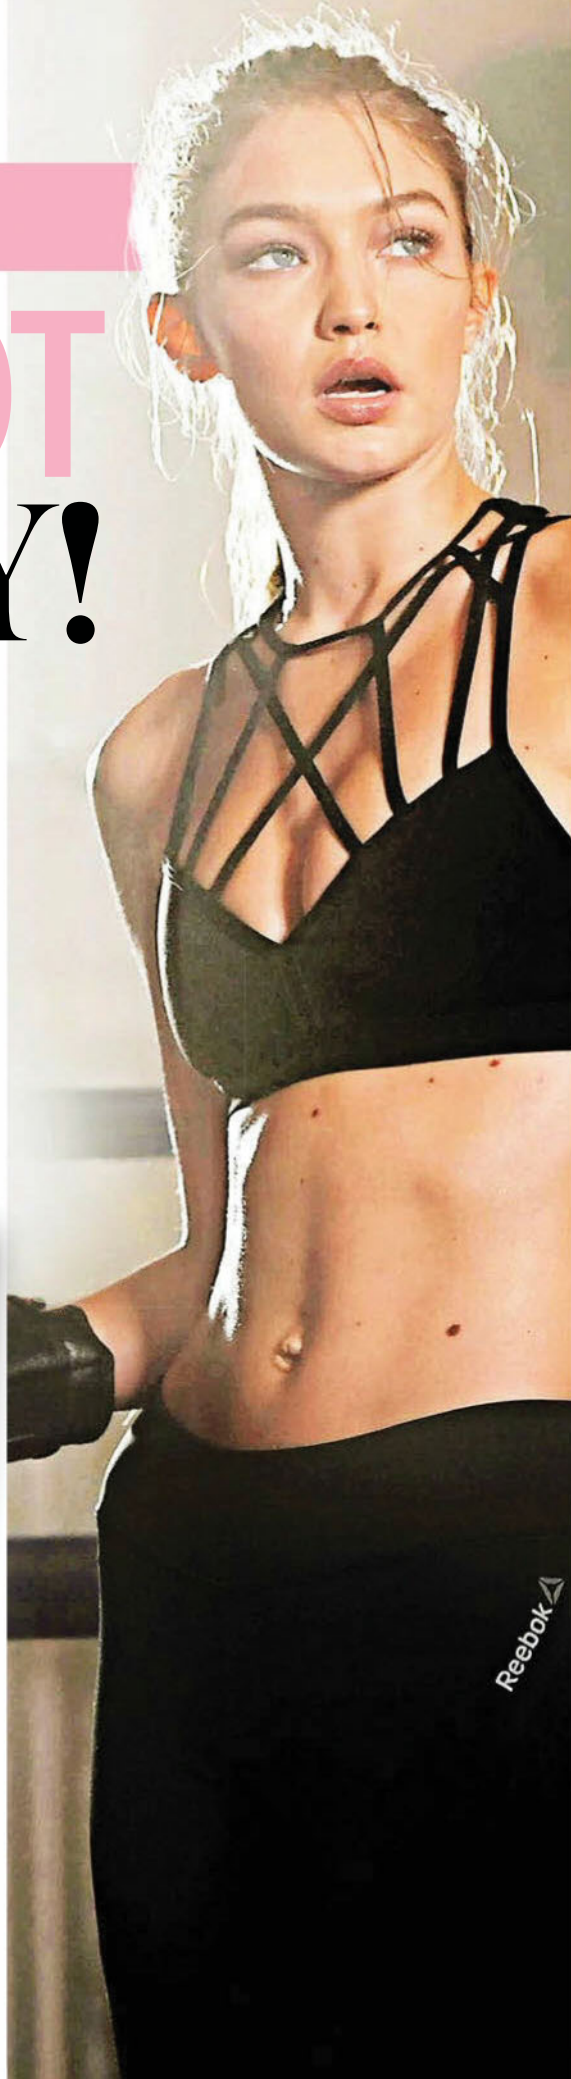

To get abs like hers, Rob suggests mixing planks, crunches and leg raises four days a week. And he's big on warming up with a skipping rope. 'There's no better way to slim down legs,' he says.

DRINK LOTS OF WATER

'Growing up, my mum always had Evian [water] in the house and constantly reminded us of the importance of staying hydrated,' says Gigi, who lives by a simple rule of thumb: she never goes anywhere without H_2O. 'I now always carry around a bottle.' Having water handy means never getting dehydrated and always having a calorie-free option to put in your belly when hunger kicks in.

Gigi likes to box every day when she can because 'you forget that you're working out'

TIP

'Don't miss workout days,' says Gigi's trainer Rob Piela. 'Don't get lazy in the winter.'

TAKE A TIP FROM ZAC!

You don't have to cut carbs to lose weight, as long as you make the right choices. Zac Efron's trainer Patrick Murphy says the super-buff star stuck to high-fibre carbs (such as pears) while he was getting into shape for *Baywatch*. In fact, one scientific study even found that people who ate pears were 35 per cent less likely to be obese than those who didn't!

WHAT WENT WRONG!

NO BLING?
Where's Telv's ring? 'I haven't taken it off at all,' he tells *OK*!. 'I was just filming with my left hand so you can't see it'. If you say so...

THE COUPLE SPILL ON THEIR WEEK FROM HELL

We've fallen in love with *Married at First Sight* couple Sarah Roza and Telv Williams. But after this week's on-air woes and multiple public scandals blowing up, it's safe to say their relationship is hanging by a thread.

The pair spoke candidly with *OK*!, revealing how they're trying to salvage their romance in light of recent events.

'You've got to work through your differences in order to grow as a couple,' says 33-year-old Telv. 'Even when times are tough.'

Sarah, 38, admits the pressure of being a fan favourite couple has taken its toll. 'The public are obsessed with our relationship [which has] added pressure... You don't want to disappoint the fans, but at the same time, you can't be fake. You have to be honest about how you're feeling,' she says. 'There's a lot of pressure to stay together and every tiny gesture, comment or sideways look is read into and dissected into a million pieces.'

Telv adds that comments from his former partner Amy haven't helped. 'I'll always have love and respect for the mother of my two children. Her words are her words and I wish her all the happiness in the world. I just hope one day she could wish the same for me.'

Understandably, Sarah is feeling bruised by a difficult week, which has included the exposure of an email reportedly from Telv saying he'd cut all ties with her (he denies he sent it) – as well as pictures of him allegedly snorting a white powder off a stripper's body. Sarah has also defended their argument, saying it had been edited – and insisting it was not just about Snapchat. She's also been spotted liking fan comments offering support to her as a single lady.

'It's all been very difficult. Telv hasn't validated my feelings with any sort of care factor and that is a bitter pill to swallow considering all we've been through,' Sarah explains. 'I'm severely disappointed and hurt by it, as I feel we were on track to fall in love. We haven't been in our normal living environments for weeks and I've felt like he's not in the present with me.'

Here's hoping our favourite lovebirds can get their groove back!

DEAN BUSTED WITH A MYSTERY WOMAN

THE *MAFS* GROOM ENJOYS FLIRTY FUN WITH A NEW FRIEND

Dean Wells was spotted leaving Manly's Steyne Hotel in the early hours of March 2 before heading back to a local apartment with a mystery blonde. So just where was his TV wife Tracey?

Looking like he's up to his old tricks again, an onlooker tells *OK*!, 'They were smiling and chatting in the pub before leaving together at about 12.30am.' Two hours after entering an apartment building, Dean, 39, walked the lady out, where she left in an Uber. 'It all looked very friendly.'

Unfortunately for Tracey, Dean's wandering eye is not a new development, having already survived Davina-gate.

However, a source close to Tracey explosively claims, 'It's common knowledge that Tracey and Dean are no longer together.'

In fact, just last month, Dean and a different female friend were seen looking cosy outside a Sydney pub. So has Tracey has 'hit it and quit it' for the last time?

WIFE SWAP!

Tracey, 34, was hurt after Dean discussed wife swapping with the other *MAFS* grooms. 'Are you kidding me?!' she yelled.

Gab:

'NAS JUST WANTS FAME'

Things just keep going from bad to worse for Gab and Nasser. 'He's happy to be there for the fun stuff, fame and attention, but not to form a relationship with someone,' Gab, 44, tells *OK*!. In fact, she says Nasser is often so disengaged, production can't even locate him. 'He disappears! He'll go off to do his own thing,' she adds.

'I'm glad she took a stand,' gushes proud *MAFS* hubby Patrick, 34

'DEAN'S DISRESPECTFUL!'

There is major fallout following *MAFS*' most explosive dinner party, but Charlene – who called out the 'toxic' boys' night behaviour and slammed Dean – says she has absolutely no regrets. 'No way! His comments about women and the way he's treated Tracey throughout the experiment have been disgusting, so I had to speak up. He's disrespectful,' she explains. Charlene, 33, had no qualms about giving Dean a piece of her mind. 'I'm not scared of him,' she says. 'He should be scared of me!'

LOVE SQUARE!

Sophie Monk's former suitor Jarrod Woodgate is in demand! The vineyard manager hooks up with *Bachelor* 'villain' Keira Maguire (below) and he's smitten by season one runner-up Ali Oetjen (far right), who he says is 'stupidly hot'. Uh-oh. But with Tara Pavlovic mentioning a 'love square', it looks like Jarrod's path to true love won't be a smooth one...

Both runners-up in their seasons, Jarrod and Ali hit it off instantly

SPOILT FOR CHOICE

Producers had almost 160 former contestants to select from when casting. 'We chose the biggest personalities, the best combos and the most relatable people,' an insider tells.

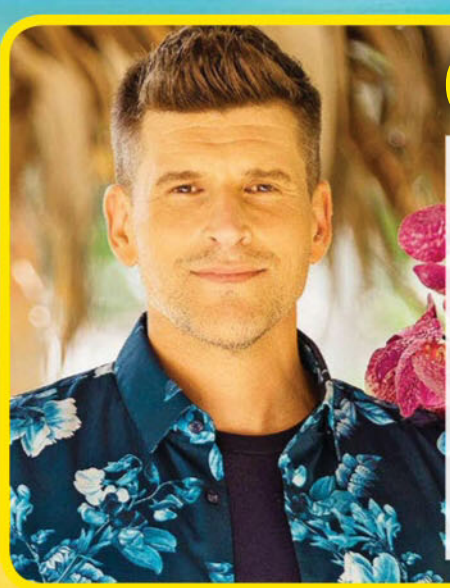

BACHELOR IN PARA

EVERYTHING YOU NEED TO KNOW ABOUT YOUR NEW FAVE SHOW...

Our dreams have come true – the very first Australian *Bachelor in Paradise* is upon us! All our unlucky-in-love favourites are back, and they're hotter than ever. Expect a season of passion, tears, tantrums and drama – with the potential for love – to drop soon, as up to 30 singletons (both Aussie and international *Bachelor* alumni) get set to mingle in tropical Fiji.

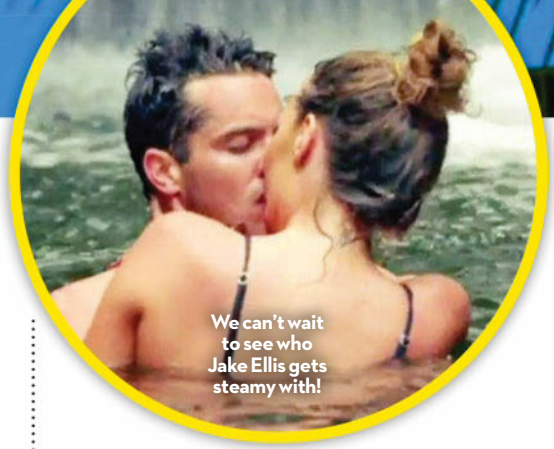

With new contestants being dropped in throughout the season, the fight for a rose may become strategic as the power rotates between the guys and gals at every ceremony. In fact, keep your eyes peeled for one popular *Bach* star, who will make a shock exit at the very first rose ceremony!

'I promise it will be everything you love and more,' says host Osher Günsberg. Bring. It. On!

OSHER'S BACK!

Anything *Bachie* wouldn't be complete without host Osher Günsberg, and he's stoked to be back for *Bachelor in Paradise*. 'We knew within three days of filming we had a hit,' he reveals. 'It's going to be so good.' Osher explains that while the local version of the show will be more family-friendly than the raunchy US series, there will be more Aussie-style straight talking. 'I also love the way the power shifts between men and women, with each taking turns at holding the upper hand in rose ceremonies,' he adds.

We can't wait to see who Jake Ellis gets steamy with!

HOOK-UPS AND DRAMZ

With each contestant having their own room, intimate dates are very likely – as is tension, with producers having to step in when one contestant is caught in a major lie.

PERSONAL GROOMING

'Contestants do their own hair and make-up,' a Channel 10 spokesperson reveals. So expect some natural curls in Fiji's humidity! Only Osher has a glam squad to keep his famous 'do intact!

LOVE IN LUXURY!

Bachelor in Paradise was filmed on a specially built set within the grounds of Fiji's four-star Mango Bay Resort. Each contestant had their own bure accommodation just steps from the pristine Namatakula Beach and could enjoy drinks – while closely monitored by the on-set barman so no-one got too tipsy – at the swim-up bar. Fancy!

ADISE: *unpacked!*

INSIDER SECRETS...

With the *BiP* launch just weeks away, some castmates, including Michael Turnbull and Laurina Fleure, have been dishing on what they're after. Plus, hot magician Apollo Jackson has revealed that 'at least' three couples carry on their romances back in Australia. Yay!

"I'D LOVE TO GET TO KNOW LAURINA BETTER"
– MICHAEL

"I WANT SOMEONE INTELLIGENT, WITTY, LOVING AND AFFECTIONATE"
– LAURINA

"[TARA] SEEMS LIKE FUN. I CAN SEE THE TWO OF US GETTING ON..."
– APOLLO

"DAVEY LLOYD IS A SPECIAL FRIEND"
– TARA

EVERYBODY'S ON BOARD

MEGAN MARX

Her Insty says she was on hols in the Philippines while *BiP* filmed – but she's in Fiji!

SAM COCHRANE

Eagle-eyed viewers will spot him in the background of a *Bachelor in Paradise* trailer.

LEAH COSTA

Despite dating *Bachelorette* alum David Witko, it seems she's still looking for love...

Bachelor in Paradise **is coming soon to Channel 10**

HOROSCOPES

OLIVIA WILDE celebrates her 34th birthday on March 10

WONDER WHAT'S IN STORE FOR YOU? *OK!*'S INTUITIVE ASTROLOGER TO THE STARS, TEYMARA, TELLS ALL

PISCES
FEB 20 - MAR 20

You have the heavens supporting you this week, so make the most of everything and everyone that graces your path. If you haven't taken action to create a positive change in your life, time is running out. A wise person reads the signs and acts accordingly, so don't dismiss an opportunity – you never know where it could lead you!

ARIES
MAR 21 - APR 20

What a difference a day makes. As you journey through the next few days, you'll realise how much can change within 24 hours. What you thought was happening may no longer be the case, so expect the unexpected. It's important to think about the face you present to the outside world – don't be afraid to show others the real you.

TAURUS
APR 21 - MAY 21

You have a limited time to make your impact. Just don't expect everyone to be in your corner, as your success may rub others the wrong way. Your New Year's resolutions were set in concrete, which means you can't budge even though you may want to. Move beyond them and do what feels right, and you can't go wrong.

GEMINI
MAY 22 - JUN 21

It's your time to shine, which means no more hiding or doing what others want or expect. By accepting yourself exactly as you are, you'll boost your confidence and with that ball in your corner, nothing that anyone else can say or do will affect you. Almost everyone has an agenda, but it's those who have hidden it that cause the greatest damage.

CANCER
JUN 22 - JUL 23

Your choice is to either operate with a positive and expansive energy or a negative one. The decision is up to you. The latter is the easy way out, but ask yourself why you've gone for that option and then brace yourself for the consequences. No matter how justified you feel, make sure you think things through and take responsibility for your actions.

LEO
JUL 24 - AUG 23

The more emotionally detached you are at the start of the week, the better. You also have to realise that one brilliant move or win doesn't create a lifetime of security. Whatever success you've created in the past needs to be built upon. Stability will be more important to you right now, but don't walk all over other people to get what you want.

VIRGO
AUG 24 - SEP 23

With the sun opposing your sign, you need to clean up your act. If this means creating a new look or attitude, then do it. You have a positive energy with you all week, so implementing change now will have far-reaching results. Just make sure you do what you want, rather than what those around you think is a good idea.

LIBRA
SEP 24 - OCT 23

It's time to make some big decisions. You have the stars supporting you, especially when it comes to your career. You'll be forced to make an important emotional decision toward the end of the week. By keeping a balanced view of what's happening, you'll make the right moves. Focus on figuring out where you want to take your life.

SCORPIO
OCT 24 - NOV 22

Don't be too hard on yourself – acknowledge how far you've come instead of worrying about where you think you should be. Look back over your journey and you'll understand. Collaborations will be a positive move for many of you right now, while the rest will choose to go it alone. Whichever path you take, work hard and reap the rewards.

SAGITTARIUS
NOV 23 - DEC 21

Embrace all that's positive in your life and turn your back on the rest. There's only so much one person can take. By calling time on what should have ended a long time ago, you'll be in a better place both mentally and physically. Your generous nature means you always take care of other people – be selfish and put your needs first for a change!

CAPRICORN
DEC 22 - JAN 20

Now that you have a positive energy smiling on you, focus on what you want to achieve in the future and what you can do to make it happen. If you implemented a health and fitness regimen at the start of 2018, you'll be seeing the benefits now. If you haven't yet kickstarted your action plan, there's no time like the present. You'll feel better once you do.

AQUARIUS
JAN 21 - FEB 19

Any relationship issues you're having need to be dealt with now. It's time to be a realist – if the best way forward is to end things, so be it. It may not be easy, but if something isn't working, it's best to put an end to it rather than keeping things going for the sake of it. In this difficult time, try to keep a lid on your emotions as you work through the situation.

THE MIX

SNIPP… …PS FROM THE… …HE BIZ

GIMME A PIECE OF *Cindy!*

EVERYONE'S GOT THE SUPER ON THEIR SWEATER!

She rocked the runway from the nineties to the noughties, but 52-year-old catwalk queen Cindy Crawford is still the name on everybody's lips… And the name on their sweatshirts!

The supermodel has quite the fan base in Hollywood, with everyone from fellow model Karlie Kloss to *Girls* star Lena Dunham rocking fashion brand Reformation's 'Cindy' jumper. Even her kids have sported the look, with 16-year-old daughter Kaia Gerber donning the top for a joint photo shoot with her mama last year for *Vogue Paris*!

WHO WOULD HEIDI RATHER?

She says she's 'single and ready to mingle', and Heidi Klum certainly means it! The 44-year-old only had eyes for Drake during a game of 'Who'd You Rather?' on *The Ellen DeGeneres Show*, choosing the rapper over a slew of other hot male stars. 'I mean, look at that muscle,' she says of the *God's Plan* artist. Get on that hotline bling, Drake!

JLaw's DISNEY DREAMS

Jetsetting actress Jennifer Lawrence has found a new way to deal with her fear of flying: watching Disney movies! 'Thank you, Emma Watson, for *Beauty and the Beast*,' the actress gushed about her repeat viewing of the film. 'I've seen it six or seven times. If anybody has any questions about it, come to me.'

Sometimes you've just got to take matters into your own hands!

REESE CLEANS UP!

Reese Witherspoon likes to make sure her star on the Hollywood Walk of Fame is kept in tiptop condition. 'Oh, now you're looking good, girl!' she joked as she gave it a good wipe down. LOL!

THE

MARK THE SPOTS
She's chillin' like the *101 Dalmatians* villain in Cruella de Vil cosplay.

JUST SAY YO
Cardi channels *Yo Gabba Gabba!*'s Brobee in her striped green fur.

CARDI B IS SUCH A CHARACTER!

THE RAPPER TAKES HER FASHION INSPO FROM CLASSIC MOVIES AND TV SHOWS

BELLE OF THE BALL
The hip-hop princess steals from Cinderella in her billowing ball gown.

À LA MODE
With her circular shades and fringe, Cardi emulates *The Incredibles*' Edna Mode.

OSCAR SWAG BAG

What do you get the star who's got it all? Worth $177,000, there was something for every nominee is this year's Academy Awards goodie bag!

AFRICAN SAFARI

The A-listers were gifted a 12-night stay in Tanzania, worth $10,300.

SMILE!

There was an $1800 Chao Pinhole Gum Rejuvenation for perfect pearly whites.

COOL TUNES

Handy $346 levitating speakers for all the music lovers!

TRIPS APLENTY

Because one holiday is never enough! The swag also included vacays to Greece and a $973 Hawaiian jaunt.

THERE'S MORE!

There were anti-ageing supplements, pepper spray (huh?!) and, of course, a diamond necklace.

In case you forgot that Gwyneth Paltrow can do anything, the 45-year-old's been at it again, singing on stage at a recent talent night for her 11-year-old son Moses' school! 'Gwyneth opened the show on stage singing *Despacito* by Justin Bieber by herself, and the crowd went wild,' an eyewitness reveals. 'Chris [Martin, her ex] came up and they sang *Bambeléo*... Then they sang another Cuban song together.' Sounds like quite an event! 'Gwyneth and Chris were so friendly with each other and the other parents,' adds the spy. 'It was a great night.'

GWYN'S *KARAOKE FIESTA!*

Miss Fanny, Miss Violet and Miss Scarlett are the new additions to the family

Barbra Streisand just couldn't say goodbye to her late pet pooch... so she had the pup cloned. Twice! Miss Scarlett and Miss Violet are copies of Babs' beloved 14-year-old coton de tulear Samantha (left), who passed away last year. The legendary singer also got a third pup, Miss Fanny, who's a distant relative. 'I'm waiting for them to get older so I can see if they have her brown eyes and her seriousness,' she says.

BABS CLONED HER DOGGY!

THE MIX

Kim LOVES TO HATE HER FAMILY!

THE STAR DISHES ON THE KARDASHIAN/JENNERS!

ROB

'My brother's sense of humour' won Kim's praise. But she admits his 'moodiness' is an issue for the krew.

KYLIE

Kim loves 'her ability to just go for it and not care'. But Kylie's 'I-don't-care-I-know-what-I'm-doing thing' grinds her gears.

KHLOÉ

Kim loves her sister's 'I-don't-give-a-f--- attitude'. But... 'Khloé's getting too sensitive,' slams big sis Kim. Must be all those preg hormones!

KENDALL

Kim's a huge fan of the model's 'sweetness'. But she'd ditch the worry. 'I would take away her anxiety,' says her caring sis.

KRIS

She praises the mumager for being 'nurturing'. And she's slammed for – nothing! 'She's perfect,' gushes Kim.

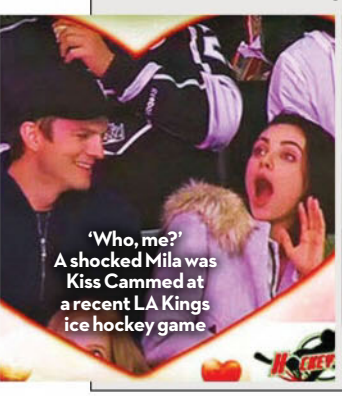

KOURTNEY

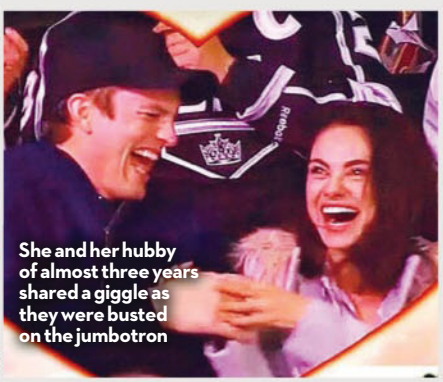

She's a fan of her eldest sister's 'savviness around finances'. But Kourt's 'stubborn', the reality queen admits. Ouch!

Still SMITTEN!

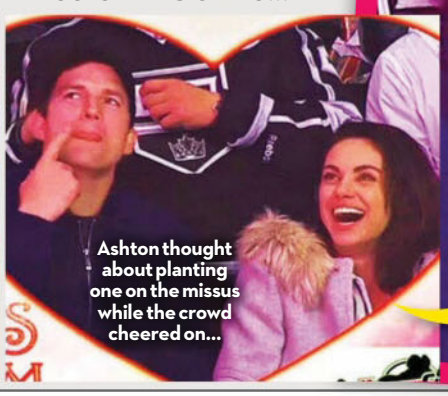

MILA KUNIS AND ASHTON KUTCHER ARE KISS CAM GOALS...

'Who, me?' A shocked Mila was Kiss Cammed at a recent LA Kings ice hockey game

She and her hubby of almost three years shared a giggle as they were busted on the jumbotron

Ashton thought about planting one on the missus while the crowd cheered on...
