SPRING 2019
FREE DELIVERY: FREE119

Welcome to our Spring/Summer 2019 Collection.

Firstly, thank you to all our lovely and loyal customers for your custom and spreading the word over the last 12 months, in what has been a challenging time for retail. We are delighted that so many of you share our values and now see Aspiga, as your "go to" online retailer for your summer wardrobe essentials.

Ethical trading continues to be at the very heart of our business, working with our wonderful suppliers in small factories (please see the pics opposite), giving much needed jobs to local people. We strive to bring you an increased range of quality products each season. Our style can be described as, soft femininity with a bohemian spirit, with our unique and pretty dresses, embroidered pieces and stunning occasion wear, as well as stylish day to day staples.

This year we have expanded our Dresses and Skirt categories, so there really is something to suit everyone and we have also increased our Linen collection.

Please sit down, put your feet up and flick through the pages and dream of sunshine and crystal clear seas.

With warm wishes and thanks
Lucy
